

Developmental Biologist

O *the university of* **K L A H O M A**

The **Department of Zoology, University of Oklahoma**, invites applications for a tenure-track position at the **Assistant Professor** level, beginning August 2009. We seek an outstanding researcher and teacher with broad interests in developmental biology to join an integrative zoology department. Preference will be given to applicants whose research and teaching interests complement our existing strengths in development, neurobiology, cell signaling, behavior, ecology and evolutionary biology. We expect the applicant to establish an externally-funded research program and contribute to undergraduate and graduate teaching, including a core undergraduate course in developmental biology each year. In alternate semesters, the candidate will have the opportunity to develop a specialty course(s) in her/his area of interest. Our successful candidate will have a PhD and demonstrated ability to conduct significant independent research as judged by publications. Send curriculum vitae, reprints/preprints, and research and teaching statements, and arrange to have three letters of recommendation sent to **Chair, Developmental Biology Search Committee, Department of Zoology, The University of Oklahoma, 730 Van Vleet Oval, Norman, OK, 73019**, or as PDFs to zoology@ou.edu. Further information about the Department of Zoology is available at zoology.ou.edu. Screening of candidates will begin **December 15, 2008** and will continue until the position is filled.

The University of Oklahoma is an Equal Opportunity/Affirmative Action Employer. Women and minority candidates are encouraged to apply.
