

Required Materials

Fall 2009

ZOO 1114 sections 001-004

You will need three primary resources for this course, these include: 1 textbook, 1 Interwrite PRS Radio Frequency wand and 1 packet of selected lecture figures. Your options for obtaining these materials are diverse. Please review the options below to direct your purchasing.

1. Textbook (choice of the following options):

- a) Biology: Concepts and Investigations. 1st edition. Marielle Hoefnagels. McGraw Hill. Cost approximately \$153 new, \$115 used (ISBN 0-07-334252-1).
- b) Electronic textbook – Biology: Concepts and Investigations. 1st edition. Marielle Hoefnagels. McGraw Hill. Available through Vital Source online at <http://textbooks.vitalsource.com>. Cost approximately \$ 76 (ISBN 978-0-07-291690-4).
- c) Biology: Concepts and Investigations + Selected Lecture Figures Combo Package. 1st edition. Marielle Hoefnagels. McGraw Hill. Cost approximately \$156 (ISBN 0-07-805621-7). Note: Only one copy of selected lecture figures is needed; these may be obtained for free on the course webpage (see below).

2. Interwrite PRS Radio-frequency (RF) wand:

The OU bookstore sells new wands for \$50.75 and used wands for around \$40.

3. Packet of selected lecture figures:

Available at the OU bookstore for approximately \$17 (ISBN 0-07-812228-7). Note: this is also available free as a download from the ZOO 1114 Desire to Learn website.
