OU COLLEGE OF LIBERAL STUDIES/NC PACE PROVISIONAL ADMISSION FORM

NOTE: No student should apply to the University of Oklahoma for admission to a graduate degree program without having received an undergraduate degree, with a minimum GPA of 3.0, from an accredited institution. Provisional Status is not available to the individual who does not have an awarded undergraduate degree from an accredited institution. In order to be admitted as a Provisional Graduate Student, you are required to read and sign the provisional statement below.

I, _____, _____,
(last name, first name, and middle initial) **Social Security #**

understand that I have been admitted to The University of Oklahoma as a Provisional Graduate Student and, as such, am neither guaranteed nor promised admission to a graduate program at The University of Oklahoma. Further, I understand that while in provisional status:

1. It is my responsibility to have official copies of all my transcripts from each university and/or college I have attended sent to Registration and Records (CCE) on or before the end of 365 days.
2. After 365 days, I will not be eligible to enroll in any OU graduate courses, unless I have been fully admitted to the University.
3. I am permitted to take a maximum of six credit hours.
4. It is my responsibility to limit my enrollment to six credit hours of letter-graded course work.
5. My 365 day enrollment eligibility begins on the day that I date and sign the 2 page OU application.

Admission to the University of Oklahoma is based on the last 60 semester credit hours of letter-graded coursework of an earned baccalaureate degree, if no post-baccalaureate coursework has been attempted. **If the 60th hour is in the middle of a semester, the entire semester will be used in the calculation**. Grade Point Average (GPA) is calculated through the semester in which the last 60 semester credit hours of letter graded coursework was completed. If the Graduate College cannot determine the last 60 credit hours, the entire transcript will be evaluated. Admission will not be granted to anyone with an undergraduate GPA below 2.75 unless supplemental admission criteria are met. Admission will not be granted to anyone with an undergraduate GPA below 2.25. Any post-baccalaureate course work attempted will also be considered in determining admission. As a general rule at least 12 hours of post-baccalaureate or graduate coursework with a GPA of at least 3.00 is required for admission. Exceptions to the admission and transfer credit policies are evaluated in the Graduate College and by the program unit on a case-by-case basis.
