INFORMATION REGARDING TRAILER PARKING ON GAME DAYS

THE FOLLOWING POLICIES APPLY TO THE PAID LOTS:

- No permit is required. This is a Paid Lot.
- Cost is $30 per vehicle (for example, cost of vehicle and trailer is $60).
- No overnight parking. Trailers and vehicles may enter beginning 8 a.m. on game day.
- Spaces may not be held, taped or otherwise reserved prior to entry and parking.
- Vehicles may park with the trailers.

THE FOLLOWING POLICIES APPLY TO THE PARKING OF TRAILERS IN PERMIT LOTS:

- A parking permit is required for the space used by the trailer in addition to the permit for the space used by a vehicle. If you do not have two permits you may not bring in a trailer and a vehicle into a Permit Lot.
- No overnight parking. Trailers and vehicles may enter beginning 8 a.m. on game day.
- Spaces may not be held, taped, or otherwise reserved prior to entry and parking.
- Do not use reserved space without a specific permit for that location.
- Vehicles and/or trailers may not enter, leave and then reenter a lot (to “drop off” a trailer or for any other reason). There is no re-entry.
