---

**Why You Should Attend**

The Construction Science Career Fair is an excellent opportunity for your company to meet and interview perspective employees. Freshmen, sophomores, juniors, seniors, and graduate students looking for permanent employment as well as internships will be attending the Career Fair.

By hosting this career fair, the Haskell & Irene Lemon Construction Science Division offers each company a chance to develop relationships with our students that will benefit both students and employers. Our career fairs have been increasingly successful over the last several years; we hope that your company will take advantage of the opportunity to participate and make this Career Fair a success.

**How to Register**

All you have to do is go to our website...

[http://tinyurl.com/cnscareerfair](http://tinyurl.com/cnscareerfair)

... and fill out the online registration form. You can also mail or fax the registration form on this brochure to the Construction Science Division. **The cost for this event is $400**, which will provide you with a table, access to the online resume database, and involvement in all of the listed activities. **Payment must be mailed to the address listed on the registration form.**
