WHY YOU SHOULD ATTEND

The Construction Science Career Fair is an excellent opportunity for your company to meet and interview prospective employees. Freshmen, sophomores, juniors, seniors, and graduate students looking for permanent employment as well as internships will be attending the Career Fair.

By hosting this Career Fair, the Haskell & Irene Lemon Construction Science Division offers each company a chance to develop relationships with our students that will benefit both students and employers. Our career fairs have been increasingly successful over the last several years; we hope that your company will take advantage of the opportunity to participate and make this Career Fair a success.

HOW TO REGISTER

Please complete the online registration form linked below. Or, mail the completed form with payment. The cost for the event is $500, which will provide you with one table, access to the online resume database, and involvement in all of the listed activities. Payment must be mailed to the address listed on the registration form.
