Instructor: S. Lakshmivarahan

Class Time and Place: T-Th 10.30 to 11.45am in DEH-120

Email: varahan@ou.edu

Office Hours: T-Th 9.00 – 10.00 AM & 3.00 - 3.30pm, DEH-230

Grading: Assignments – 6-8 home works, one mid-term, and final. Assignment –30%, midterm 30%, and final 40%

Note:

1. Mid-term exam will be on Thursday, October 7, 2010

2. Final exam dates are already announced in the fall 2010 schedule. Final exam is required of all students. The final for this course will be on Thursday, December 16th, 2010 from 8.00am to 10.00am.

3. Make up exam will not be given unless there is a family emergency, sickness, etc. that would NOT enable you to be present. In any case we would require a proof before granting permission.

4. Please contact us immediately after the first class if anyone, due to disability, has special needs, so that arrangements can be made with the Student Services to help you out.

ABET Student Outcomes to be addressed

- A: An ability to apply knowledge of computing and mathematics appropriate to the discipline
- B: An ability to analyze a problem, and identify and define the computing requirements appropriate to its solution
- J: An ability to apply mathematical foundations, algorithmic principles, and computer science theory in the modeling and design of computer-based systems in a way that demonstrates comprehension of the tradeoffs involved in design choices,
