Join us this summer for HEADS UP! A selective engineering summer program designed to help you prepare for your first year of engineering and math coursework.

**WHO:** Freshman students who have been accepted to the University of Oklahoma and who are planning to major in an engineering discipline. Preference is shown to those students who are planning to enroll in a Pre-calculus/Calculus 1 for the 2010 Fall semester (your first semester of college at OU). This program is geared towards students who do not feel 100% confident for Calculus 1, at the OU College level although other factors will be considered to include adjustment to college life, academic core competencies (General Chemistry), and other related concerns.

**WHAT:** Engineering Summer Bridge Program sponsored by AT&T is a three-week residential (on-campus) program that is fully funded and only requires a $350 program fee per student. This fee is to be paid by check and is due no later than May 21, 2010. THE FEE IS DUE UPON RECEIVING AN ACCEPTANCE LETTER FROM THE BRIDGE PROGRAM.

**WHY:** Sometimes engineering coursework can be a challenge. We want YOU to be prepared academically for your first semester of calculus at OU and have designed this program to meet those needs. The program also includes all housing, meals, seminars, team building exercises, and much more. We have also included a course entitled, “Experiencing College Life in as an Engineer” (OU acclimation course) specifically tailored to meet the needs of future engineers.

Parent/Guardian Statement of Consent

My child, ____________________________, has my permission to participate in the University of Oklahoma’s HEADS UP Summer Bridge program from July 10, 2010 – July 31, 2010.

I release the University of Oklahoma (“the University”), and its respective directors, officers, agents, and employees collectively (“the staff”), from liability for any loss, damage, injury or illness resulting from my child’s participation in this activity.

On behalf of my child and myself, I promise that I will not institute, prosecute, or in any way aid in the prosecution of any claim, demand, action, or cause of action against the staff or anyone else.

In the case of injury or illness, I authorize University representatives to seek all necessary medical attention for my child. In such case, I understand that I will be notified as soon as possible and that my insurance carrier or I am responsible for any and all medical expenses incurred. I remain fully responsible for any actions taken by my child.

I also note that – though my child will be accompanied much of the time by the staff – that they cannot monitor my child 100% of the time. If the University discovers that my child has left his/her group, or has done something to risk his/her safety or the safety of someone else, I will be called and my child will be asked to leave the program immediately.

I further understand that my child’s attendance at the OU HEADS UP Engineering Summer Bridge may involve coverage by the media. I hereby release any claim I may have surrounding rights to my child’s name, image, voice, or likeness, and I agree that the University may use my child’s name, image, voice, or likeness in connection with publicity for the University of Oklahoma and its recruitment efforts. I verify that I have read and understood this document and agree to its terms.
