2. History of Our Involvement with Hosanna
The Founders

Yacouba and Renate Seydou are the founders of Hosanna Institute of the Sahel (HIS)

Hosanna is registered as a non-governmental organisation (NGO) in the following countries:

2000: HIS Inc. USA
2001: HIS Niger
2011: HIS Deutschland
To accompany the Niger Republic in its economic and social development through the establishment of a Christian institution that provides education, professional training and healthcare for the whole man, both spiritually and physically.
