2016-17 Average Scores by Test*

*Each test name is followed by a "1" or a "3" indicating the reporting group: 1 = candidates testing prior to program completion, and program completers. The number in parentheses to the right of the test name indicates the number of candidates for which scores are reported from September 2016 - August 2017. The thick vertical line marks 240 as a passing score.
