2. Is (are) there annual IEP goal(s) that will reasonably enable the child to meet the postsecondary goal(s)?
   - Find the annual goals, or, for students working toward alternative achievement standards, or states in which short-term objectives are included in the IEP, short-term objectives on the IEP
   - For each of the postsecondary goal areas circled Y in question #1, if there is an annual goal or short-term objective included in the IEP that will help the student make progress towards the stated postsecondary goal, circle Y in that column for #2
   - For each of the postsecondary goal areas circled Y in question #1, if there is no annual goal or short-term objective included in the IEP that will help the student make progress towards the stated postsecondary goal, circle N in that column for #2
   - If a postsecondary goal area was addressed in #1, but was not measurable, and an annual goal is included in the IEP that will help the student make progress toward the stated postsecondary goal, circle Y in that column for #2
   - If a postsecondary goal area was addressed in #1, but was not measurable, and there is no annual goal included the IEP that will help the student make progress toward the stated postsecondary goal, circle N in that column for #2

3. Are there transition services in the IEP that focus on improving the academic and functional achievement of the child to facilitate their movement from school to post-school?
   - Find where transition services/activities are listed on the IEP
   - For each of the postsecondary goal areas circled Y in question #1, if there is (a) instruction, (b) related service(s), (c) community experience(s), (d) development of employment and other post-school adult living objective, (e) if appropriate, acquisition of daily living skill(s), or (f) if appropriate, provision of a functional vocational evaluation listed in association with meeting the postsecondary goal, circle Y in that column for #3

post-school adult living objective, acquisition of a daily living skill, or functional vocational evaluation listed in association with meeting the postsecondary goal, circle N in the corresponding column for #3

- If a postsecondary goal area was addressed in item #1, but was not measurable and there is a type of transition services listed in association with meeting that postsecondary goal, circle Y in the corresponding column for #3
- If a postsecondary goal area was addressed in item #1, but was not measurable and there is no type of transition service listed in association with meeting that postsecondary goal, circle N in the corresponding column for #3

4. For transition services that are likely to be provided or paid for by other agencies with parent or child (once of the age of majority is reached) consent, is there evidence that representatives of the agency(ies) were invited to the IEP meeting?

- Find where persons responsible and/or agencies are listed on the IEP
- Are there transition services listed on the IEP that need to be provided or paid for by an outside agency? If yes, continue with next guiding question. If no, circle NA in all columns for #4
- For each of the postsecondary goal areas circled Y in question #1, if it is too early to determine if this student will need outside agency involvement, circle NA in the corresponding column in #4
- If parent (or child, when a student has reached the age of majority) consent were obtained to invite outside agency(ies), continue with the next guiding question. If no, circle NA in all columns for #4
- For each of the postsecondary goal areas circled Y in question #1, that requires an outside agency to provide or pay for transition services, is there evidence in the IEP that any of the following were invited to the IEP meeting to discuss transition, or otherwise involved in the discussion of transition services: postsecondary education, vocational education, integrated employment (including supported employment), continuing and adult education, adult services, independent living or community participation for this postsecondary goal?
