TIME: 9 A.M. - NOON
NOVEMBER 21 - COLLINGS HALL ROOM 250
"ENGAGING IN THE WORLD AROUND US THROUGH PROJECT-BASED LEARNING"
DR. KRISTY BRUGAR

This professional development experience is an opportunity for teachers to explore, evaluate and model strategies for implementation of Project-Based Learning (PBL) in their classrooms. Using PBL, students are encouraged to develop inquiry-based questions, which address real-world issues, research from various disciplinary perspectives, develop solutions using evidence, and present solutions/conclusions using 21st-century tools. Regardless of grade level and content area, there are many opportunities to engage in small-scale and large-scale Project-Based Learning experiences.

FOR ACCOMMODATION ON THE BASIS OF DISABILITY, PLEASE CONTACT DR. TERRI DEBACKER AT DEBACKER@OU.EDU OR (405) 325-1275
