Transition Education Video Workshops

Due to the high number of special education teachers who were unable to attend the Regional Transition Meetings, we are pleased to announce that via our collaboration with the Oklahoma State Department of Career and Technology Education, there will be two video conferences available this month. We will be covering Indicator 13, OK IEP transition pages, and Transition Assessment. Also, a representative from the Oklahoma Transition Council will be speaking briefly about the regional transition teams available to you and the importance of involving the whole community in the transition process.

The video conferences will be held from 9:00 a.m. to 1:00 p.m. both days. Limited seating is available at most sites, so please register quickly. The video conference dates and locations are as follows:
