UNIVERSITY OF OKLAHOMA
JEANNINE RAINBOLT COLLEGE OF EDUCATION
STUDENT IPAD RESPONSIBILITY AND LIABILITY AGREEMENT

I understand that I have been assigned University-owned equipment (“iPad”), which is being made available to me as a tool for learning and, accordingly, I am assuming responsibility for the item(s) as outlined herein.

Requirements to Receive Equipment:
I understand that I must meet the following requirements to be issued an iPad:

- Be a fully admitted undergraduate student in good standing in the TE-Plus program (the “Program”) in the Jeannine Rainbolt College of Education (“College of Education” or “College”) on the Norman campus
- Anticipate graduation after the Summer 2013 semester
- Fully complete the JRCOE TE-Plus Admission process
- Comply with all requirements and guidelines of the University and the College for the current semester. This includes, among other things, taking all required tests, paying all associated fees, and attending all mandatory interviews.

Further, I understand that I will be required to have an iPad for my Program coursework, as required by my College professors and instructors, once I receive one. I understand that if I break or lose the equipment, or if it becomes unavailable under any circumstances, I am still responsible to have one available for class use.

Sole Use of Equipment:
I understand that the use of an iPad is a privilege that can be revoked. Inappropriate use or neglect of the iPad can result in limits to or loss of use of the iPad or reliance on checking out an iPad from the JRCOE computer lab for each class. I understand that I have to take every precaution to protect the iPad. I agree to be responsible for any third-party usage of the equipment.

Requirements to Keep Equipment:
I understand that in order to keep the iPad during my participation in the Program, I must remain enrolled in the Program, in good academic standing. I understand that upon successful completion of the Program, including all student teaching requirements, and graduation from the Program in good academic standing, ownership of the iPad will be transferred to me with no additional charges incurred by me.

Returning the Equipment:
I understand that I must return the iPad and any chargers or other associated equipment to the College of Education upon the University’s request or if I withdraw or transfer from the Program. I understand that if I leave the program for any reason, whether due to academic, personal, or other reasons, and do not return the iPad, I will be financially liable to the University in the amount of $250.00, which represents the equipment’s depreciated value. I understand that the iPad shall not be customized with stickers, engraving or any other markings, and recognize that it must remain in its original condition.

What to do if Lost, Stolen, or Broken:
In the case of loss of an iPad or components, I understand that I will be held financially liable for the replacement cost of the iPad (below), and such charges may be applied through the Bursar’s Office to my University account. Examples of neglect include leaving the iPad unattended, failing to secure it, leaving it in an unlocked car, leaving it in a classroom, etc., and will not qualify as a legitimate claim for theft. In the event of loss or theft, I will immediately report the incident to the police and provide a copy of the police report to the Director of JRCOE-IT. If an equipment breakage or malfunction occurs, I will immediately notify the IT Helpdesk at 405-325-4409 (needhelp@ou.edu). I may be held financially responsible for the repair or replacement of the iPad (below). The following charges will apply in the event that the iPad is broken, lost, or stolen:
