During these sessions, Mr. Andrew will discuss test preparation for the challenging first phase of testing to enter the Foreign Service, the written exam, which is the FSOT. Please RSVP to Ronda Martin at rkmartin@ou.edu by January 15 for the January 22 briefing and by January 20 for the January 27 briefing. The briefing is exactly the same for both dates, so please RSVP to only one date. Pizza and soft drinks will be served at both events, compliments of the U.S. Department of State!
