The University of Oklahoma
Persian Language Scholarship
Summer 2015

The OU Iranian Studies Program will provide one “summer language scholarship” for a student enrolling in a summer Persian language program. University of Oklahoma undergraduate and graduate students are eligible for this award. The amount of the scholarship, to be used during the summer of 2015, will be $3,000. These funds must be used towards tuition, travel, and housing costs associated with an intensive summer language program in Persian. The programs listed below are the most common summer language programs that offer Persian language instruction. Other programs are also available. Recipients of the scholarship can, with the approval of the director, use the funds towards any other Persian language program.
