University of Ljubljana
Slovenia

The University
The University of Ljubljana is an institution with a very rich tradition. With its more than 56,000 undergraduate and post-graduate students, it ranks among the biggest universities in the world scale. A total of 22 faculties, 3 academies of art and 1 university college, it employs approximately 3500 teaching and research staff, assisted by nearly 900 technical and administrative staff.
The University of Ljubljana was established in 1919 on the foundations of a long-established pedagogical tradition. For almost half a century it remained the only Slovenian university until it was joined, about 20 years ago, by the University of Maribor and, last year, by the University of Primorska on the coast of Slovenia.
The university is located in Ljubljana, the capital of Slovenia.

The City
As its inhabitants and numerous visitors will tell you, Ljubljana is, indeed, a people-friendly city. Categorised as a medium-sized European city, it offers everything a metropolis does yet preserves its small-town friendliness.
It is the political and cultural heart of the Slovenian nation; an important European commercial, business, exhibition and congressional centre as well as the transport, science and education centre of Slovenia. Its geographical position in the centre of Europe has determined Ljubljana as a natural meeting place for merchants and soldiers as well as - and more than once - peacemakers. The victors of the Napoleonic wars selected this peaceful city as the site of the Holy Alliance congress, which in 1821 sealed the European political geography for years to come. It is also home to over 50,000 students, who give it a special vibe.

**What about academic credit?**
Grades received on reciprocal exchange study abroad programs through the University of Oklahoma are posted by the Office of Admissions as Satisfactory (S) or Unsatisfactory (U) on the OU permanent record. These grades are not factored into the participant’s Grade Point Average. Because each student is enrolled in 12 credits per semester while abroad, participants are expected to enroll in an equivalent number of credits at the host university. Academic systems around the world vary in what equals 12 OU credits. The decision about awarding credits is made in the Office of Admissions at OU.

**Where would I live?**
Accommodation options for Exchange students: student dormitories or private accommodation. The international Office provides assistance with housing options.

**How much does it cost?**
**Costs at OU:** All students participating on semester or academic year reciprocal exchange programs are enrolled at OU for 12 credits each semester abroad. Tuition and fees are billed through and paid directly to OU at the appropriate resident or non-resident rate. Fees are charged at the Arts and Sciences College rate, even if the student’s major is in a different college. All participants pay a $10/credit hour study abroad fee. There is a $35 non-refundable application fee for study abroad.
Below are cost estimates per month in euro:
- Housing: 150 – 300, approx. $220-440
