Sec. 002 Arab-Israeli Conflict The land which for Jews is ancestral Erets Yisrael and for the Arabs is Palestine has been the center of one of the modern world's longest and most intricate disputes. This course will survey the history of the conflict around Erets Yisrael/Palestine, with the aim of providing a better understanding of its roots and recent developments. The course will look at the conflict at various moments from its earliest stages to the present, by presenting two very different historical narratives: the Israeli/Jewish and the Palestinian/Arab.

IAS 3423 Politics & Society in Iraq
