Hello, fellow students! I hope you are enjoying the semester and staying warm. This month, we are highlighting one of the most exciting aspects of the OU-Tulsa family—our love for the community. As Sooners, we lead the way in making a positive community impact, and we are providing opportunities for you to get involved. We encourage you to make plans to join us for Big Event on April 11th. We will serve our local community on Saturday morning and breakfast will be provided. Big Event is one of the most rewarding opportunities you will experience as part of the OU-Tulsa family—you do not want to miss it!

Do you have ideas to enhance the student experience at OU-Tulsa? Are you interested in student leadership opportunities? Join us during our monthly OUTSGA general meetings, which are held the first Wednesday of every month. We always provide free food and would love to hear from you! If you are interested in running for a leadership position with student government, contact us via email at OUTSGA@ouhsc.edu.
