Hello Sooners!

Welcome to another great year here at OU-Tulsa. I am so thrilled for this time of filling our brains with knowledge so that we can impact our community for a better tomorrow. Our campus is buzzing with activity this year and we can’t wait for you to get involved!

During our time at OU-Tulsa, we realize how important the leadership roles are in serving students. At OUTSGA, we want to empower and unify the student body to build up strong leaders who are able to in turn spread their influence to everyone around them. In order to achieve this, we are offering a heap of opportunities for you to make an impact both on campus and in our community. You can join one of our many committees in OUTSGA, whether it be leading our campus in a healthy lifestyle through Campus Health Committee, building relationships with the community through Community Outreach Committee, or being proper stewards of our resources through the Environmental Sustainability Committee—there’s a place for you here.

We want to make it easier for students to vocalize their opinion and we will personally stand up for their concerns by acknowledging the real challenges students are facing. We have general meetings the first Wednesday of every month from 5:30-6:30 in the Innovation Commons. Come and hear what is happening on campus and voice your ideas, we want to hear what you have to say.

We are so excited to have you in our Sooner family. Here is where we prepare to change our world and OU-Tulsa can’t wait to be a part of the process. Let’s make this our best year yet!

Until then, boomer!

Amber Vanderburg
President, OUTSGA
Organizational Dynamics Student
