Pave the Way

BUY A PAVER & LEAVE A LEGACY.

Your gift will serve as a permanent reminder, enriched in Sooner tradition, while enhancing the beauty of the Tulsa campus.
OU-Tulsa alumni and friends have an opportunity to commemorate their past, honor the memory of a loved one, or congratulate new graduates with engraved brick pavers in Stuart Square, located south of the new, state-of-the-art Tandy Education Center on the Schusterman Center campus. Approximately 2,000 brick pavers are available for $150 each. This 8 x 4 inch paver may be engraved with a message of your choice.

**DETAILS**

1. Names may include first, middle, maiden, last and additional designation, such as “Jr.” or “MD,” if space permits. You may use initials for first or middle names. Each space, period, apostrophe, hyphen or other punctuation mark counts as one character. Limit 18 characters per line.

2. If desired, the year or years in which an OU degree was awarded may be included. If one degree was earned, the line might say “1960.” A graduate who earned a bachelor’s degree and an advanced degree from OU might enter “1991, PhD 1995.”

3. Pavers may also be purchased in honor of someone else. Think about purchasing a paver for a favorite professor or graduate, or as a memorial to a loved one. Pavers with the phrase “In Honor of” or “In Memory of” are a great way to remember those who have impacted your life.

4. We anticipate that, even with normal wear, every paver will last for decades. If a paver should suffer extensive damage by weather, wear, accident or vandalism within 10 years of its original placement, the university will replace and re-engrave the stone as it originally appeared. The replacement stone will be guaranteed only for the original 10 years.

5. Pavers will be ordered and engraved within six months of the order date.
