Objective
The objective is to provide financial assistance to medical students enrolled in the School of Community Medicine track of the University of Oklahoma College Of Medicine, Tulsa who commit to clinical practice for mutually agreed upon underserved populations in Oklahoma.

Eligibility
- The student must have signed an enrollment agreement for the School of Community Medicine track of the University of Oklahoma College of Medicine.
- The student must be in good standing with the university and have no other service obligations.

Geographic Eligibility
- The physician must provide significant and demonstrable medical care to a medically underserved population within the State of Oklahoma as determined by the School of Community Medicine of the University of Oklahoma College of Medicine Tulsa.
- Specifically, the location and patient population receiving medical care must be approved, in advance, by the School of Community Medicine Financial Incentives Policy Committee.

Amount of Scholarship
- The medical student will receive a scholarship for 100% of the instate tuition and fees per semester for up to four years of medical school. If a student receives other scholarship benefits and financial awards, these will be paid first.
- Medical students receiving the award must maintain good academic standing at the University of Oklahoma College of Medicine School of Community Medicine.
- The award will be in the form of a reduction of educational expense incurred by the recipient on a semester basis.
- Should the recipient withdraw from or be dismissed from the College of Medicine at any time, the recipient must repay the scholarship money to be eligible for graduation and/or for transcript release.

Service Obligation
- The recipient agrees to complete an entire residency program leading to certification by an American Board of Medical specialties’ member board.
- Following completion of his/her residency, the recipient agrees to provide medical care in his/her specialty on a full time basis to an underserved population
that is mutually agreed upon by the student and the Financial Incentives Policy Committee.

- The length of service will be six (6) months of service for each semester of the financial award received, with no credit granted for anything less than twelve (12) months.
- The period shall begin within ninety (90) days following the completion of his/her final graduate medical education program.

**Default of Service Obligation**

- If the recipient fails to complete the entire residency program, he/she shall repay the SOCM the entire amount of the loan, including the principal with interest thereon at the rate of prime plus one percent per annum from and after the date recipient receives the scholarship.
- If the recipient fails to commence practice in the agreed upon location within ninety (90) days following completion of Residency, the recipient shall repay the entire amount of the scholarship, including the principal with interest thereon at the rate of prime plus one percent per annum from and after the date recipient receives the scholarship.
- The School of Community Medicine shall also be entitled to recover damages in an amount equal to 100% of the principal.

By the signature below, the recipient agrees to abide by the above conditions and policies of the University of Oklahoma College of Medicine’s School of Community Medicine Financial Incentives Policy Committee.
