Campus Activities Council - Crew Application
2011 - 2012

Campus Activities Council (CAC) continues the legacy of excellence at the University of Oklahoma. Founded in 1971, CAC is the programming branch of OU student government presenting campus-wide traditions and events for all students. Whether you are an incoming freshman, a senior who recently transferred to OU, an international student or graduate student, CAC is an amazing organization to get involved with. With a strong focus on leadership development, community building and teaching practical skills for the real world, CAC is an organization with your best college experience in mind!

There are countless ways to get involved and participate in CAC activities. One of those ways is with CAC Crew. As part of our volunteer core, you will be able to be a part of all the events while serving on your own time schedule. This is a great way to experience all the events put on by CAC.
