Student was admitted to the University of Oklahoma with a high school curricular deficiency in:

- English
- Math

Student’s assessment scores determine the student needs remedial assistance in the following area(s):

- English
- Math
- Reading

At this time the remedial/developmental course(s) in which the student needs to enroll is either closed or is not currently being offered. Therefore the above named student has agreed to:

Spend ____ hours a week in the Assessment Center (Wagner room 270) working on appropriate tutorial skills programs in the following area(s):

- English
- Math
- Reading

The student agrees to schedule a regular time each week to attend his/her tutorial session(s). If the student cannot attend his/her regularly scheduled session(s), he/she agrees to make up the missed session(s) in a timely manner.

At the end of the semester the student agrees to be reassessed in the appropriate area(s) so that appropriate course recommendations can be made by the student’s advisor.
