Students will be introduced to various issues related to the topic of African American mental health in this country. You will discuss and explore the past, present, and future states of mental health in the African American community. Investigating personal histories of mental health will uncover ways that those histories relate to and connect with the issues addressed throughout the course.

If you need assistance enrolling in this class, please call the AFAM office at 325-2327 or e-mail rsgomez@ou.edu.
