Do I get a grade in these courses?
Yes. You will be enrolled, examined, and evaluated in the same manner as any other student in the course.

Who is eligible for this program?
To be eligible for the Concurrent Enrollment Program, you must satisfy these criteria:
1.) You must have achieved junior or senior standing and be eligible to complete requirements for graduation from high school no later than the spring of your senior year, as attested by your high school principal.
2.) Seniors must have achieved an ACT composite score of 24 or an SAT composite score of 1090 and at least a 3.0 grade point average (on an unweighted 4.0 scale) or rank in the top 50% of your graduating class; or a high school grade point average of at least a 3.0 (on an unweighted 4.0 scale) and rank in the top 30% of your graduating class.
Juniors must achieve an ACT composite score of 25, or an SAT composite score of 1130, or a high school grade point average of 3.5 (on an unweighted 4.0 scale). ACT or SAT must be from a national test.

How much does it cost?
You will be charged the regular tuition rates established by the University.* The exact cost will depend upon the number of credit hours in which you enroll and the level of the courses. Students enrolled through the Concurrent Enrollment Program are not eligible for financial aid. Information on tuition rates can be found at http://www.ou.edu/bursar/.

*High school seniors who attend OU as Concurrent Enrollment students are eligible for a tuition waiver for up to six credit hours per semester or summer session (excluding Intersession courses and courses offered through the College of Continuing Education). A high school senior is defined as a student who has completed his or her junior year, but has not yet graduated from high school. There are no family income levels to qualify for this waiver. The waiver does not cover other mandatory fees (activity fees, facility fees, library fees, technology fees, etc.) or the cost of books.

What do I have to do if I am interested?
Discuss the Concurrent Enrollment Program with your high school principal. He or she must recommend you for enrollment. Then, submit to the Office of Admissions: 1) a completed Concurrent Enrollment Program Recommendation Form signed by your principal, high school counselor and one of your parents; 2) a completed application for admission to the University; 3) a high school transcript; 4) your ACT or SAT scores; and 5) a non-refundable application processing fee.

Applications must be received in the Office of Admissions no later than April 1 for a fall semester or a summer session; and November 1 for a spring semester.

If you have any questions the University can answer, call the OU Office of Prospective Student Services, (405) 325-2151. We will try to provide any additional information you need. We look forward to your inquiries and hope that you will decide that the Concurrent Enrollment Program is an opportunity you want to pursue.

The University of Oklahoma, with the approval of the Oklahoma State Regents for Higher Education, may alter admissions requirements at any time, when it is in the best interest of the University and its students to do so.
