GEN. ED. Non-Western Culture 

MIDDLE EASTERN MUSIC

Vibrant soundscapes across the Arab World and the Eastern Mediterranean. Places defined aurally by the sound of the Islamic call to prayer; Sufi songs in coffeehouses and mosques; Time-honored wedding celebrations in Egypt and North Africa; Women’s communal music in Morocco and Palestine; Music and Manhood in the Eastern Mediterranean; Vocal polyphonies in the Balkans. Musical traditions of the Middle East will be studied through listening and musical analysis, reading and critical discussion, as well as video and live demonstrations.
