FINAL EXAM PREPARATION PERIOD

Pre-finals week will be defined as the seven calendar days before the first day of finals. Faculty may cover new course material throughout this week.

STUDENT-FACULTY POLICIES

(A) Assignments, examinations, or projects worth less than 10 percent of a student's grade may be assigned at any time prior to pre-finals week and may be due during pre-finals week. However, no assignments, examinations, or projects may be due on the last two days of pre-finals week.

(B) Assignments, take-home examinations, in-class examinations, or projects worth more than 10 percent of a student's grade must be scheduled at least 30 days prior to the first day of finals and must be due or given prior to pre-finals week. Any assignment that is to take the entire semester to complete may be accepted or presented during pre-finals week provided the syllabus explicitly states that the assignment can be turned in prior to pre-finals week. In-class presentation of semester assignments due before pre-finals week may be scheduled for any day other than the last two days of pre-finals week.

(C) Special case deviations from this policy must be clearly stated in the course syllabus and approved by the chair of the department through which the course is offered.

(D) Special requests made by a student for an extension of assignment deadlines into pre-finals week may be granted subject to the discretion of the instructor.

ADDITIONAL INFORMATION

This policy applies only to 16-week courses during the spring and fall semesters.

This policy excludes make-up assignments, make-up tests, and laboratory examinations. It also does not apply to classes meeting one day a week for more than one hour with a start time before 5:00 p.m. and evening classes.

All University laboratory classes are exempt from this policy.

No University of Oklahoma Student Association (UOSA) organization may hold meetings, banquets, or receptions or sponsor or participate in any activity, program, or related function that requires student participation during pre-finals week.

Violations to this policy should be reported to the chair of the department in which the course is taught or, in special circumstances, to the dean of the college and may be grounds for grade appeal.

**NOTE 1:** Classes meeting one-day-a-week, with a start time before 5:00 PM, will test according to Regulation #7, on next page. Also, see Regulation #9.

**NOTE 2:** Day classes (class start time prior to 5:00 PM) meeting on-the-hour more than one day a week will test at the same time as classes meeting on the same days at the following half-hour. For example, classes meeting M W 8:00 AM will test at the same time as classes meeting MWF 8:30 AM. Standard on-the-hour meeting times are listed in the schedule above. See Regulation #8 on the following page for testing of evening classes.

**FINAL EXAMINATION REGULATIONS CONTINUED ON NEXT PAGE**
FINAL EXAMINATION REGULATIONS

1. Oklahoma State Regents for Higher Education regulations require that those institutions that reserve the final week of the semester as a testing period shall ensure that all classes meet during the testing period. Final examinations are given at the discretion of the instructor, or, in the case of multiple sections, the department in which the class is offered. When a final examination is given, the student must take the examination.

*EXCEPTIONS

a. The College of Arts and Sciences requires that an examination (either a last or final examination) be given during the scheduled final examination period for each regularly scheduled undergraduate course. Independent study and pure laboratory courses are excluded.

b. The College of Engineering and the College of Atmospheric and Geographic Sciences require comprehensive examinations to be given during the regularly scheduled examination periods in all undergraduate courses excluding directed readings, pure laboratory courses and project type design courses and seminars.

2. If a final examination is given, no faculty member is authorized to depart from the published examination schedule for either a class or an individual without approval, as stated in the Faculty Handbook. Early final examinations are prohibited. Final Examination has been defined as follows: an examination that is comprehensive in nature or that accounts for a greater proportion of the final grade than an exam given during the semester.

3. Uniform final examinations are listed by department and course number at the times they are scheduled to be given.

4. Two-hour classes which have one of their meetings on MWF will have the examination at the time scheduled for MWF classes. Those meeting both days of TR will have the examination at the time scheduled for TR classes.

5. Three-hour classes must follow the examination schedule. Classes meeting both Tuesday and Thursday are considered to be TR classes. Classes meeting two of the days Monday-Wednesday-Friday are considered to be MWF classes.

6. Classes meeting four or five days a week will have the final examination at the time scheduled for MWF classes with the same meeting time.

7. Classes meeting one day a week for more than one hour with a start time before 5:00 PM will have the final examination during the last lecture period*. Classes in this format have been scheduled with sufficient meeting time during the semester to compensate for time lost in the final examination week.

*EXCEPTION: Courses offered by the College of Business Administration will test during the final examination week.

8. Evening Classes. Classes that begin at 5:00 PM or later will have the final examination during the last lecture period. Evening classes have been scheduled with sufficient meeting time during the semester to compensate for time lost in the final examination week.

9. If laboratory examinations are given, they will be held during the last regularly scheduled meeting of the lab.

10. A student will not be expected to take more than two final examinations in one day. In cases where a student has three or more exams scheduled for the same day, instructors must offer make-up exams. The student's number of exams will be reduced to two by the following procedure:

a. If a student has three or more exams on the same day, the instructor(s) giving the third and subsequent exams must provide make-up exams during the week designated for final exams for that semester;

b. The student must notify the instructor or department of the third and subsequent final exams scheduled within a single day. Such notification must be given to the specific instructor or department before the end of the twelfth week of classes (sixth week of summer session).

11. In the event a conflict should arise from the scheduling of two or more examinations at the same time, the student will attend the examination for the class that met first during the week, according to the student's class schedule. The instructor(s) giving the second and subsequent exams must provide make-up exams during the week designated for final exams for that semester.

This institution in compliance with all applicable Federal and State laws and regulations does not discriminate on the basis of race, color, national origin, sex, age, religion, disability or status as a veteran in any of its policies, practices or procedures. This includes but is not limited to admissions, employment, financial aid and educational services.

The university does provide a Tuition Payment Plan (TPP) for eligible students. Participation in TPP will be limited to currently enrolled students for the semester in progress, including Summer Session. Participation in the plan requires no application. To participate, pay the percentage (listed below) of your total charges by the due date. Payments are due on the 21st of each month. College of Continuing Education charges are excluded from the payment plan. It is the student’s responsibility each semester to check on Ozone or in Bursar Services to ensure that any university administered scholarship or resident or non-resident tuition waiver is applied. Students receiving financial aid are required to apply all of their financial aid to their account.

All unpaid balances are subject to a 1.5% service charge assessed on the 22nd of each month. The following percentages are used to calculate the minimum payment due so that all charges are paid in full by the end of the semester. Figure used for example only:

UNIVERSITY OF OKLAHOMA REFUND POLICIES

The refund policies listed below describe the financial obligation of students who withdraw from classes after the official beginning of a semester. Students are advised to read these refund policies carefully to determine which apply to their specific circumstances.

I. COMPLETE WITHDRAWALS FROM THE UNIVERSITY:

A. REFUND POLICY FOR COMPLETE WITHDRAWAL FOR ALL STUDENTS WHO ARE NOT TITLE IV AID RECIPIENTS.

(See ‘B’ below for definition of Title IV Aid Recipients.)

(The Oklahoma State Regents refund policy with respect to fees and tuition is as follows:)

Complete withdrawals from the institution during the defined refund period (first ten days of classes in Fall and Spring semesters, first five days of classes in Summer Session) will result in full charges for courses added and full credit for courses dropped. No refunds will be made after the refund period except as stipulated for enrollment of Title IV recipients.

B. REFUND REGULATIONS FOR COMPLETE WITHDRAWAL FOR ALL STUDENTS WHO ARE TITLE IV AID RECIPIENTS

Any student receiving Federal Title IV funds will be subject to the following policy regarding return of Federal Title IV funds:

The University and the student will be required to return to the federal aid programs the amount of aid received that was in excess of the aid “earned” for the time period the student remained enrolled. By Federal Law, the University has 45 days from the date the University determines the student withdrew to return unearned federal aid to the specified programs.

The percentage of the semester completed is the percentage of aid earned: This is calculated by the number of days the student attended divided by the number of days in the payment period (i.e. semester). For example, if a student withdrew on the 20th day of a semester 114 days in length, the student would have only earned 17.5% of the aid he received (20/114=0.175).

Students who remain enrolled through at least 60% of the payment period (semester) are considered to have earned 100% of the aid received and will not owe a repayment of Federal Title IV grant funds.

If the University returns funds to the Title IV aid programs, it could result in the student owing OU charges that were originally paid at the time of disbursement. Students may also be required to return funds released to them for personal expenses.

Monies will be returned to the Title IV programs and not to recipients. Monies returned to the Title IV aid programs will be applied first to loans to reduce the loan debt of the student and/or parent borrower.

II. REFUND POLICY FOR DROPPING A PORTION OF YOUR SCHEDULE AFTER CLASSES BEGIN

Changes in schedules during the first ten days of classes in Fall and Spring semesters, first five days of classes in Summer Session will result in full charges for courses added and full credit for courses dropped. No refunds for dropped courses will be made after this time.
FINANCIAL ASSISTANCE

Fall 2015 – Students who wish to apply for financial aid for the Fall 2015 semester must complete the 2015-16 Free Application for Federal Student Aid (FAFSA) at fafsa.gov. Be sure to include OU’s Title IV School Code of 003184 on the FAFSA. Have your FAFSA application and all requested documents in to OU Financial Aid Services by June 1, 2015 for processing of Fall financial aid. Applications complete after this date are processed in the order received and aid may not be available by the tuition deadline.

Visit OU Financial Aid Services website at financialaid.ou.edu for complete information including application deadlines, aid requirements and links to additional scholarships and resources. Visit Ask the Sooners for answers to your most frequently asked questions about financial aid and billing issues at AsktheSooners.ou.edu. Financial Aid Services, 1000 Asp Ave. Room 216, Norman, OK, 73019-4078. Phone: 405-325-4521, FAX: 405-325-7608.

FINANCIAL AID EARLY DISBURSEMENT

Disbursement begins Monday, August 17, 2015 and continues throughout the semester

IMPORTANT!! Aid disbursement depends on the following two (2) factors:
1. Aid availability
2. All eligibility requirements must be met at the time you are picking up your aid, including enrollment requirements.

If you come, beginning August 17 to pick up your aid, bring a photo ID for identification. Staffing is reduced during lunch hours, 11:30 AM – 1:45 PM, resulting in an increase in waiting time. Normal operating hours are Monday through Friday, 8:00 AM – 5:00 PM.

The University of Oklahoma is pleased to be one of the few schools in the country that disburses financial aid funds to students before the beginning of classes. We offer disbursement early so that student can focus on their classes rather than taking care of financial matters. Students can be supportive in the process by being informed of their aid eligibility and by following the disbursement schedule.

ADVISING AND ENROLLMENT OF NEW STUDENTS:

First-time entering freshmen and transfer students who are admitted to University College who wish to enroll in classes for the Fall 2015 semester will participate in the 2015 New Sooner Enrollment Program. A postcard about the 2015 New Sooner Enrollment Program will be mailed to newly admitted students to University College. First-time entering freshmen and transfer students admitted to University College who do not participate in the 2015 New Sooner Enrollment Program will be eligible for advisement and enrollment for fall classes following the conclusion of the program in August. COLLEGE ADVISING INFORMATION

College of Architecture

Students in the College of Architecture are advised in Individual Advising Sessions by one of the College advisors. Due to the rigor and inflexibility of the program, it is necessary that all students meet for advisement during each enrollment period. The College of Architecture does not permit self-advising.

College of Arts and Sciences

The College provides advising services through professional advising staff in the College of Arts and Sciences Academic Services office and through professional and faculty advisers in the departments. Professional counselors in the Academic Services office are knowledgeable about degree programs offered by the College and will assist with choice of major, help resolve academic and graduation problems, and help determine how evaluated transfer work will apply toward degree requirements. The professional counselors in the Academic Services office verify that all degree requirements have been met and clear students for graduation. Students new to the College who have transfer credits should meet with an academic counselor in the Academic Services office for an evaluation of credits for University and College requirements.

Faculty and professional advisers in the departments provide in-depth information about the discipline, courses, instructors, and special opportunities available through the department. The College of Arts and Sciences requires all students to be advised prior to each enrollment by the faculty or professional adviser in the major department. After being advised, students should receive an advising form that lists their preferred courses.

Students may view their academic requirements and progress with Degree Navigator (http://degree.ou.edu). Degree Navigator is helpful for viewing courses completed toward graduation and courses remaining to be completed. Students and advisers use this information in planning for enrollment. Degree Navigator should be used in conjunction with the degree requirement sheet (check sheet), as the check sheet is the definitive document the College counselors use for graduation clearance.

The College of Arts and Sciences Academic Services office is located in 124 Ellison Hall. The telephone number is (405) 325-4411.

College of Atmospheric & Geographic Sciences

The College of Atmospheric and Geographic Sciences believes that faculty members are best qualified to provide curricular, professional and career advisement; therefore, all Atmospheric and Geographic Sciences students consult with a faculty adviser before registration. Each semester, students will be contacted by their
Atmospheric and Geographic Sciences school/department regarding who their faculty advisor will be and when advising hours will be held. The College of Atmospheric and Geographic Sciences Dean’s Office strongly encourages students to review their academic records on Degree Navigator at degree.ou.edu prior to scheduling an advising appointment with their faculty advisor. Students should also prepare an enrollment plan before meeting with their advisor. For further information or general questions, please call (405) 325-3095.

Michael F. Price College of Business

Undergraduate curriculum and advisement matters are coordinated through Price Academic Advising Services in Michael F. Price Hall, Suite 1010. Academic Counselors are available to provide information concerning degree requirements, degree audits and contract enrollment. Students seeking industry trends and information should contact the appropriate division or school office (Accounting, Finance, Management and Entrepreneurship, Management Information Systems, or Marketing and Supply Chain Management). The telephone number of Price Academic Advising Services is (405) 325-6021. Graduate student advisement is handled through the Graduate Programs Office, Michael F. Price Hall, Suite 1040. The telephone number is (405) 325-4107. Please see our website price.ou.edu/advising.

College of Continuing Education-Aviation

The aviation academic counselors are available to provide information concerning degree requirements and graduation. Students seeking specific aviation/flying advisement should contact the department at (405) 325-7231, or schedule an appointment online at advise.ou.edu.

Mewbourne College of Earth and Energy (MCEE)

The Mewbourne College of Earth and Energy believes that faculty members are best qualified to provide curricular, professional and career advisement; therefore, all MCEE students consult with a faculty advisor before registration. All undergraduate students who have been admitted to the MCEE should begin the enrollment process by creating a trial schedule on ozone.ou.edu after reviewing their Degree Navigator. They should then schedule an advising appointment with a faculty advisor in their specific department. Petroleum Engineering students should attend a group faculty advising session. Advising instructions and schedules will be posted prior to the advising period. All MCEE Students are responsible for completing all necessary grade and course prerequisites. New students in the MCEE and new transfer students should schedule an appointment through advise.ou.edu with an advisor in the MCEE Student Services Center before enrolling for their first semester. College of Engineering

All undergraduate students who have been admitted to the College of Engineering should begin the enrollment process in the Williams Student Services Center (WSSC), Suite 112 Felgar Hall, 325-4096. New transfer students should schedule an appointment with an advisor in WSSC before enrolling for their first semester. All current students meet with faculty advisors in their major, so it is important to have declared a specific major by the time they are advised. Instructions for meeting with faculty advisors will be provided by the department to the students via their OU e-mail account. Students may also contact their school directly if they have questions about faculty advising for the upcoming term http://www.ou.edu/content/coe/academics.html. Those students NOT attending a Lean Advising Session will have to turn in an “Advising Verification Form” to WSSC (Felgar, 112) after meeting with a faculty advisor. At that time they will be authorized to enroll in classes. Students are responsible for completing all necessary grade and prerequisites for courses in which they enroll.

Services provided by the Williams Student Services Center (WSSC) staff are available to all engineering undergraduates, including engineering majors in University College, and include assistance with transfer credit evaluation, choosing a major, graduation verification as well as information about University policies and procedures, academic support services such as tutoring and mentoring, and student organizations and leadership. Additional information is available at coe.ou.edu/wssc.

*The Engineering Physics Program does not have “Lean Cell” Advising sessions.

Weitzenhoffer Family College of Fine Arts

Students in the Weitzenhoffer Family College of Fine Arts are required to meet with a faculty advisor each semester on the school designated Advising Day(s). These days are announced in class and are posted in the various buildings, or you may contact your school office for the date(s). Students are also notified via the monthly college eNewsletter and by individual notices sent to their OU student email addresses. Current students who are not advised on Advising Day will have to wait to be advised and to enroll until the three days prior to the next semester starting. Currently enrolled students should proceed to their assigned faculty advisors for advisement. Newly admitted students, transfer students and readmitted students should proceed to the individual school offices (see locations below) to be assigned to a faculty advisor.

During the meeting with the faculty advisor, students should obtain an Academic Advising Form completed and signed by the advisor, and any needed overrides (Special Permissions). The student should then take the advisement form to the Dean’s Office, in order to have their advising flag removed.

The Fine Arts Dean’s Office is located in Fred Jones Art Center (FJC), Room 122; tel. (405) 325-7570. Office locations for Schools within the Weitzenhoffer Family College of Fine Arts are:
College of International Studies

The Department of International and Area Studies (IAS) is a part of the College of International Studies, along with Education Abroad and International Student Services. The department includes majors in Asian Studies, European Studies, International Security Studies, International Studies, Latin American Studies, Middle Eastern Studies, and Russian and Eastern European Studies. International and Area Studies (http://www.ou.edu/international) provides advising through professional advising staff in Hester Hall. The academic counselor assists students with academic and graduation problems, evaluates transfer work, and verifies and clears degree requirements (405-325-1429). The academic advisor provides detailed information regarding the Department’s majors, minors, courses, and instructors (405-325-4547). Every IAS major is required to meet with the professional advisor prior to enrollment each semester for assistance in choosing appropriate classes.

Students should be familiar with the degree requirement check sheet for their chosen major, available on IAS website (http://www.ou.edu/international). Degree Navigator (http://degree.ou.edu) is another helpful tool students and advisors use to view academic requirements and progress.

Gaylord College of Journalism and Mass Communication

All undergraduates must be advised prior to each enrollment. Pre-Journalism students who are in University College should meet with their counselor in that office.

With the exception of Intersession, advising is mandatory prior to each academic term for all students in the Gaylord College. Advising for the fall semester begins in February; advising for the spring/summer semester begins in September. Students are advised by professional academic counselors in the Student Services Center. Students may also meet with faculty members to discuss careers, internships, and professional issues. Notices about advising will be posted in The Gaylord Extra.

Students are required to maintain current local addresses and e-mail addresses with the university, as important advising and graduation information is distributed each academic term in The Gaylord Extra.

The Language Skills Test is the entrance examination to the Gaylord College. The LST/AIT must be completed prior to enrollment in JMC 2033 (Writing for Mass Media), a course that is required of all journalism and mass communication majors.

The LST includes 80 questions on grammar, punctuation and spelling.

The AIT covers information from the Students’ Guide to Academic Integrity as found on the new Academic Integrity website. The AIT consists of 25 questions that are taken directly from information in the Students’ Guide to Academic Integrity. You may download a copy of the pdf at http://www.integrity.ou.edu.

The LST/AIT is administered in the Student Services Center (2533 Gaylord Hall) Monday through Friday from 8:30 a.m. to 3:00 p.m. No appointment is necessary. Test results are available the next business day.

The college encourages students to thoroughly review these areas prior to taking the LST. An online study guide is available on the college’s Web site ou.edu/gaylord. Students are also encouraged to review a grammar and composition textbook (several are recommended on the college’s Web site) as well as the Student Academic Integrity Code.

The LST/AIT may be attempted three times during their Academic tenure at the University of Oklahoma. If a student fails the third time, the student will be required to enroll in JMC 0123 (Fundamentals of Writing for the Media), a course that will not apply toward the degree.

College of Academic Affairs

Multidisciplinary Studies

The Bachelor of Arts and Bachelor of Science degrees in Multidisciplinary Studies are university-wide degrees administered through the College of Arts and Sciences. The ability to select major courses from the University of Oklahoma’s many departments/colleges allows the student to be in charge of his/her education in a unique way. Multidisciplinary Studies students can customize their major work to academically and professionally prepare for a field that incorporates information from multiple areas or for a specialized field not represented by an existing degree program. Students design their initial major plan with the oversight of an Academic Counselor and are required to schedule an advising appointment every semester prior to enrollment. To schedule an appointment with an MDS adviser the student logs onto http://iadvice.ou.edu/mds. All proposed major plans must be submitted to the appropriate adviser the College of Arts and Sciences Academic Services office in Ellison Hall room 124. For more information on the major, please visit the MDS website at http://ou.edu/mds.

Health Sciences Center

Students who have been accepted to the Health Sciences Center (HSC) must be advised by the department/college in which they are majoring. To enroll in Norman Campus Classes, HSC students must receive permission from their HSC College. The HSC Office of Admissions and Records processes all enrollments, adding and/or dropping courses. All tuition and fees are paid to the OU Bursar, Buchanan Hall, 1000 Asp Ave., Norman, Oklahoma. Norman campus courses will be listed on the HSC transcript. University College students are required to be advised each semester prior to enrolling. Current students may schedule an advising appointment by accessing https://iadvice.ou.edu. Current University College students are
strongly encouraged to seek advisement prior to their scheduled registration period, as appointment times often fill two weeks out. Newly admitted students to University College, may call 405-325-3521 for information about scheduling an advisement appointment.

ENROLLMENT REGULATIONS

CLASS ATTENDANCE POLICY
The student is responsible for class attendance after completion of registration. The student must cancel before the first day of classes to avoid being charged fees and tuition. Students who do not attend classes beginning the first day may be canceled from a course if there is high demand for seats from students who are waiting to enroll in courses. HOWEVER, STUDENTS SHOULD UNDERSTAND THAT NON-ATTENDANCE AND/OR NON-PAYMENT OF FEES WILL NOT AUTOMATICALLY RESULT IN CANCELLATION OF ENROLLMENT. THE STUDENT IS RESPONSIBLE FOR DROPPING COURSES BY THE APPROPRIATE DEADLINES IN ORDER TO AVOID TUITION CHARGES.

FULL-TIME ENROLLMENT
To be considered full-time, a student must be enrolled in at least the number of credit hours listed below, depending on the semester:

<table>
<thead>
<tr>
<th>Semester</th>
<th>Graduate</th>
<th>Undergraduate</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall/Spring</td>
<td>9</td>
<td>12</td>
</tr>
<tr>
<td>Summer</td>
<td>6</td>
<td>6</td>
</tr>
</tbody>
</table>

Note to students applying for Veterans' Benefits: VA may not accept all hours taken when determining benefits. Consult the Veteran Student Services Office in Buchanan Hall, Rm. 330 for more information.

Note to students applying for Financial Aid: Additional enrollment regulations may apply. Please consult Financial Aid Services for more information.

CREDIT HOUR ENROLLMENT LIMITS
There are limits on how many credit hours a student may enroll in each semester, without permission of the student's dean. These limits are listed below:

- FALL/SPRING: 19 hours for undergraduates; 16 hours for graduates.
- SUMMER: 14 hours for undergraduates; 9 hours for graduates.

PASS/NO PASS ENROLLMENT
Students may elect to enroll in courses on a Pass/No Pass basis, but should understand that Colleges may not count Pass/No Pass enrollments when determining whether the student has fulfilled the requirements for a degree. Specific College limits are listed below.

Academic Affairs. The Pass/No Pass option may be used to fulfill no more than 16 credit hours of free electives only. The Pass/No Pass option may not be used to fulfill requirements for any General Education, College, major, major support, or minor requirements.

Architecture. The Pass/No Pass option will not count toward any College of Architecture degree requirements.

Arts & Sciences. The Pass/No Pass option may be used to fulfill no more than 16 credit hours of free electives only. The Pass/No Pass option may not be used to fulfill requirements for any General Education, College, major, major support, or minor requirements.

Atmospheric and Geographic Sciences. A Pass/No Pass enrollment will not count toward any College of Atmospheric and Geographic Sciences degree requirement.

Business. The Pass/No Pass option may not be used with any College of Business course, General Education requirement, or specifically required course. Business majors may take a maximum of 12 hours of P/NP in free, non-business electives. Not to exceed 1 course per semester.

Continuing Education (Aviation). The Pass/No Pass option may not be used to fulfill requirements for any General Education, College, major, major support or minor requirements. P/NP may be used in the free electives, as long as they are not aviation courses.

Earth and Energy. A Pass/No Pass enrollment will not count toward any College of Earth and Energy degree requirement.

Education. The Pass/No Pass option may be used only on courses belonging to one of the general education areas of free electives.

Engineering. The Pass/No Pass option may be used only on courses belonging to one of the general education areas of free electives.

Fine Arts. Students are allowed a maximum of 16 hours of elective credit under the Pass/No Pass option. Courses completed under the pass/no pass option may not be used to fulfill the University-Wide General Education requirements, major requirements, or major support requirements.

Graduate. A Pass/No Pass enrollment will not count toward any Graduate degree requirement.

International Studies. The Pass/No Pass option may be used to fulfill no more than 16 credit hours of free electives only. The Pass/No Pass option may not be used to fulfill requirements for any General Education, College, major, major support, or minor requirements.

Journalism. No more than 16 semester credit hours earned under the Pass/No Pass option will apply toward the degree. P/NP credit may not be used to satisfy general education, college, major, major support, or minor requirements. Transfer credit graded P/NP is counted as part of the 16 semester credit hours earned.

Law. A Pass/No Pass enrollment will not count toward any Law degree requirement.

University College. The Pass/No Pass option is allowed, with Dean's permission, for University College students who are above the freshman level.

Cautions:
Both grades, Pass and No Pass, are considered neutral grades in the computation of grade point averages, i.e. credit hours for Pass, though earned, will not be included in grade point averaging, and credit hours for No Pass simply will not be earned. Pre-professional students who plan to apply for admission to professional schools such as law or medicine after completion of an undergraduate degree are advised that courses taken on the Pass/No Pass option may hinder admission possibilities when grade point average is a major consideration. For advice, the student should consult the admissions office of the professional school where he/she intends to apply.

Before enrolling in courses on the Pass/No Pass option, students should consult with their advisers or personnel in college offices to be certain of approved enrollment.

Procedure:
Students may change enrollment in a course by the add/drop procedure to or from the Pass/No Pass option through the end of the second week of a regular semester or the first week of a summer session in Enrollment Services. College and/or adviser approval should be obtained prior to any change.

To prevent discrimination in grading, the student's choice of P/NP grading will not be made known to the instructor of a course. The grade will be automatically assigned at the end of the course on the basis of the letter grade submitted by the instructor. The lowest letter grade required to receive a P grade in a course will be C.

AUDIT ENROLLMENT
Auditing is attending a class without participating in classwork or receiving credit. Enrollment as an auditor is permitted in all courses subject to the approval of the instructor in the course.

Initial enrollment in a course as an auditor may be completed only between the first day of classes and the last day permitted for late enrollment for credit in any semester or term. Students wishing to enroll in a course as an auditor need to get an add/drop form from OU Enrollment Services in Buchanan Hall 230, get instructor's approval and then return the form to Enrollment Services.

A change of enrollment from audit to credit may be made, provided the change is made no later than the end of the second week of classes in a regular semester or the first week of classes in a summer term, and provided the instructor and appropriate dean grant approval. Students wishing to change enrollment from audit to credit need to get an add/drop form from OU Enrollment Services in Buchanan Hall 230, get the appropriate approvals and then return the form to Enrollment Services.
Effective Fall 2011

Undergraduate students: a change of enrollment from credit to audit may be made during the first two weeks of classes in a semester or first week of classes in a summer term.

Graduate students: a change of enrollment from credit to audit may be made during the first ten weeks of classes in a semester or five weeks of classes in a summer term, provided the student is passing in the course at the time the change is processed and the student has received approval from the instructor. A change of enrollment processed during the first ten weeks of a semester or five weeks of a summer term requires a report of progress from the student’s instructor.

A change of enrollment to audit supersedes the original enrollment for credit, and no withdrawal from the credit enrollment is posted on the student’s academic record. To change enrollment from credit to audit, students need to get a Change Enrollment from Credit to Audit form from the OU Enrollment Services office in Buchanan Hall 230, get appropriate approvals and then return the form to Enrollment Services.

A grade of W may be assigned to a student who has not performed according to the instructor’s requirements for an auditor in that class. Such W’s will be applied to the total of five drops allowed in a student’s academic career.

Enrollment as an auditor is indicated on the student’s permanent academic record with the final mark AU (identified as Audit), subject to the same posting regulations governing credit enrollment.

CANCELLATION OF ENROLLMENT

Students may cancel enrollment online at ozone.ou.edu or in person in Enrollment Services, Room 230 Buchanan Hall. The deadline to cancel online for Fall semester is at Midnight, on August 17, and in person at 5:00 pm on August 15. After classes have begun, students must withdraw from enrollment according to the following instructions.

COMPLETE WITHDRAWAL FROM ENROLLMENT

Students withdrawing from the University after classes have begun should report to their College Office (College Office locations are listed in the Campus Information Directory, page 4). If you do not know your college, check with Enrollment Services, Room 230 Buchanan Hall. Withdrawn students are refunded fees and tuition according to State Regents’ refund policy (see refund regulations in section on FEES AND TUITION).

OTHER UNIVERSITY REGULATIONS

ACADEMIC RETENTION, PROBATION AND SUSPENSION REGULATIONS

For continued enrollment at the University, an undergraduate student must maintain a cumulative retention/graduation grade point average as indicated below:

- 0 through 30 semester hours attempted: 1.7
- Greater than 30 semester hours attempted: 2.0

A student not maintaining a satisfactory cumulative retention/graduation grade point average will be placed on academic probation for one semester. To be removed from probation, the student, during the next semester of enrollment, must raise his or her cumulative retention/graduation grade point average to the minimum standard required to continue. However, a student enrolled on probation may be continued on probation provided he or she makes a 2.0 grade point average on that semester’s work. Students should check with their college office or the Office of Academic Records for specific requirements for enrollment while on academic probation. A student enrolled on probation who fails to raise his or her cumulative retention/graduation grade point average to minimum requirements or to make a grade point average of 2.0 or better on work taken while enrolled on probation will be suspended for poor scholarship.

A student suspended from the University for poor scholarship is not eligible to apply for readmission until after one full semester has elapsed following the date of suspension. To be readmitted, a suspended student must submit an application for admission and a letter of appeal to the Office of Admissions by November 1 for the Spring Semester; April 1 for Summer and Fall.

UNIVERSITY GRADING REGULATIONS

GOVERNING WITHDRAWALS AND DROPS

Complete Withdrawal from the University for Undergraduate Students. An undergraduate student who withdraws from all classes during the first ten weeks of a regular semester (first five weeks of a summer session) will receive the grade of “W” for all courses. For complete withdrawals that occur after the tenth week of class (fifth week of summer session), a final grade of “W” or “F” will be assigned by the instructor of each course. A student is allowed only five grades of W throughout the course of his/her undergraduate career at the University. Once a student reaches this maximum number of W grades, he/she will not be allowed to drop any courses after the two-week “free drop” period. After the five-drop limit has been reached, students with extreme, extenuating circumstances may apply for an exception to the limit on W grades through the Office of the Provost. Because complete withdrawals often stem from extenuating circumstances, complete withdrawals will not be counted against the five-drop limit.

Complete Withdrawal from the University for Graduate Students.

A graduate student who withdraws from all classes during the first six weeks of a regular semester (first three weeks of a summer session) will receive the grade of W for all courses. For complete withdrawals that occur after the sixth week of class (first three weeks of summer session), a final grade of W or F will be assigned by the instructor of each course.

Undergraduate Students Dropping Courses After Classes Begin.

For students who drop one or more courses after classes begin, but who remain enrolled in at least one course, the following grading regulations for dropped courses apply:

In the first two weeks of the semester (first week of summer session), no grade is recorded;

From the third week through the tenth week of a semester (second to fifth week of a summer session), a grade of W will be assigned to each dropped course;

After the tenth week (fifth week of a summer term) through the remainder of the term, withdrawals are not permitted except by direct petition to the dean of the college in which the student is enrolled. The student who withdraws with permission of the dean will receive a final grade of “W” or “F” at the discretion of the instructor.

Once a student reaches this maximum number of W grades, he/she will not be allowed to drop any courses after the two-week “free drop” period. In the first two weeks of the semester (first week of summer session), no grade is recorded;

From the third week through the sixth week of a semester (second and third week of a summer session), a grade of W will be assigned to each dropped course;

From the seventh week through the tenth week (fourth and fifth week of summer session) the instructor of each course dropped will assign a grade of W or F.

Beginning with the eleventh week of the semester (sixth week of the summer session) through the last day of classes, courses may be dropped only by direct petition to the Dean of the student’s college. The student who drops a course with permission of the Dean will receive a final grade of W or F at the discretion of the instructor of the course dropped.
UNIVERSITY REGULATIONS GOVERNING INCOMPLETES

“I” is a neutral mark and means incomplete. It is not an alternative to a grade of F, and no student may be failing a course at the time an “I” grade is awarded. To receive an “I” grade, the student should have satisfactorily completed a substantial portion of the required course work for the semester. The new university-wide incomplete Contract Form that all instructional faculty will be required to use when assigning a grade of INCOMPLETE, effective with the Fall 2014 semester, will include a grade if the work is not turned in by this date (Cannot be an “I”). The instructor will indicate to the student and to the Office of Academic Records what must be done to complete the course and set a time limit appropriate to the circumstances. However, the time limit allowed may not exceed one calendar year. If by the end of the year no change in grade has been submitted, the grade of “I” will be changed to the permanent grade from the incomplete contract form. After a grade of “I” has been changed, a student may re-enroll in the course if appropriate or required. The foregoing time limitations concerning removal of an incomplete do not apply to graduate research or problem courses.

If an incomplete is received, the “I” grade remains on the student’s record and the final grade is next to the “I” (example I/B).

ALL-UNIVERSITY REGULATION ON REPEATED COURSES

Students may not repeat a course in which they earned a grade of A or B, unless the course is one in which there is a change of subject matter (e.g., SLEP, Independent Study).

A student may repeat up to four courses, not to exceed 18 hours, in which the original grade was D or F and have only the second grade count in the calculation of the student’s retention/graduation grade point average. Students who repeat courses beyond the first 4 courses of D or F may do so with both the original grades and repeat grades included in the calculation of the retention/graduation grade point average.

GRADE POINT AVERAGE. The cumulative retention/graduation grade point average is based on all work attempted, both transfer and OU, minus those courses repeated in accordance with the policy on repeated courses. The minimum cumulative retention/graduation grade point average required for graduation is 2.0. Each degree-

DEGREE CANDIDATES

Degrees are formally conferred at spring commencement exercises. However, degrees are awarded in absentia and diplomas mailed to graduates at the end of the fall semester and summer session. The date of graduation for each term is: the last day of examinations in the fall; the date of commencement in the spring; and the last day of classes in the summer. The degree and date of the diploma are entered on the student’s permanent academic record. When a student completes all requirements for a degree other than at the close of a semester or session, the Office of Admissions and Records, upon request, will issue a certified statement that the student is eligible for the degree as of the date when the requirements for the degree were completed. For complete information regarding degree requirements the student should consult with personnel in the college office in which he/she is enrolled. A student who is a candidate for a degree must apply online for graduation at ozone.ou.edu. Once a student is cleared for graduation by their college, all tuition and fees must be paid before a degree will be posted and diploma mailed. See section on Fees and Tuition in this schedule for fee information and deadline dates.

All students shall be required to have all work needed for graduation submitted to Admissions & Records no later than ten working days following the last day of finals for the term in which the student wishes to graduate. This would include transfer work from another institution, correspondence courses, incomplete grades, and any other correction or addition to the student’s academic record. This deadline does not take the place of the existing deadline for all work to be completed, which is “all work required for the degree must be completed satisfactorily by the last day of finals of the semester or term”. This is an additional requirement that the notification of the completion of this credit must be submitted in a timely fashion in order for the student to graduate within that term. The appropriate deadline for receipt of that notification is within ten working days after the last day of finals. Requirements for graduation are cleared by the degree-recommending colleges approximately four weeks after the close of a regular semester and three weeks after the close of a summer session. Diplomas are printed after degree clearances are completed and are mailed from the Office of Admissions and Records approximately one month later.
