Dr. Berrien Moore, Dean, College of Atmospheric & Geographic Sciences and Director of the National Weather Center, was the guest speaker. He gave a very dynamic and engaging talk about climate change and other related issues.

The January 18, 2011 meeting minutes were approved.

Staff Awards Committee – Susannah Livingood volunteered to chair this committee due to a conflict with past chair Terri Sarsycki. The deadline for nominees is February 15 at noon.

Current Staff Senate Issues

- Julius Hilburn gave a presentation to the Faculty Senate on the master recordkeeper project and will give the presentation to the Staff Senate on both the Norman and HSC campuses. The plan is to have this project on the March Regent’s agenda.

Member Breea Bacon announced that a new academic integrity system had been passed. Students will act as investigators in this new system.

The next meeting is March 8. Nick Hathaway will be our guest speaker and will talk about the budget. We will also begin discussions for the ASC Staff picnic.

Lunch was provided by David Annis and is greatly appreciated.

Minutes approve March 8, 2011
