Program Student Learning Outcomes

College:  Arts & Science  
Program:  Letters, BA

Upon completion of the B.A. in Letters, students should be able to:

- Demonstrate basic knowledge of the grammar and syntax of either ancient Greek or Latin. They are expected to:
  - Identify grammar
  - Practice comprehension
  - Critically analyze passages of literature

- Demonstrate broad knowledge of the three major areas of history, literature, and philosophy.

- Demonstrate the ability to construct a paper with a strong thesis, clear argument, and proper usage of grammar and style.
