Program Student Learning Outcomes

College: Continuing Education
Program: Administrative Leadership, MBA

- Graduates will recognize characteristics of the natural sciences, social sciences, and the humanities and will apply interdisciplinary approaches in an integrated way in order to understand complex problems. This includes the ability to:
  
  a) Understand the concept of interdisciplinary inquiry.
  b) Understand the distinctions between the three academic knowledge areas of natural sciences, social sciences, and humanities.
  c) Comprehend and be a more interdisciplinary student, person, and thinker.

- Graduates will communicate ideas about complex problems.
