**Large Course Redesign Consultations**

"I owe the significant improvement in my teaching evaluations to your help and guidance. I truly appreciate it!"

**GTA Academy Programs**

"We get to know how important case studies are and how they really help in understanding your audience (class)."

**Dynamic Lecturing Series**

"I wanted to let you know that this series has been extremely helpful to me. I have practiced a few (with very good outcomes). I feel very lucky that I have registered and invested my time in this series."

**Everyday Technology Series**

"Using technology to collaborate with students and colleagues!"

**GTA Orientations**

"The Q&A after each session in the orientation were very helpful. The most valuable aspect was the presentation on plagiarism and educating students about it."

**New Faculty Seminar Series**

"I would like to thank you and your team very much for organizing this fantastic series of seminars. I appreciate your passion and enthusiasm in your work."

**Voice and Voices**

"I like what you are doing at CTE!"

**Departmental Collaboration**

"We are happy to develop a long-term collaboration with CTE on information-related projects and/or internships. Personally, I have benefited from many CTE workshops."
