TRAVELING AND INSTRUCTIONS IN THE MAKING OF MODERN SCIENCE (1550-1650)

A public lecture by

ANTONIO BARRERA

Dr. Barrera’s lecture is sponsored by the President’s Office as part of a Presidential Dream Course (HSCI 3833) and is part of the Galileo’s World exhibit. For further information, contact Dr. Kathleen Crowther, Department of the History of Science (kcrowther@ou.edu) or consult the schedule of events at galileo.ou.edu.
