Admit Status
• Students must have obtained clear admission into the degree program to ensure financial aid can be processed.
• Students admitted to the University of Oklahoma in an “Unclassified” status are normally ineligible to receive financial aid because they are not classified as seeking entry into a degree program.
• Students admitted to the University of Oklahoma in a "Provisional" status are normally ineligible to receive financial aid until they have met the terms of their original admission contract.
• We cannot process aid retroactively for periods of ineligible status as unclassified, special, provisional, or deferred.

Enrollment Requirements
• All graduate students must maintain at least five credit hours of enrollment each semester to qualify as half-time and at least nine credit hours each semester to qualify as full-time.

MHR Program
• Financial aid is only available for coursework in the MHR program up to 36 credit hours or degree completion, whichever comes first. Federal regulations prohibit funding students who are pursuing licensure or seeking certification in this program. Only degree seeking candidates may receive aid. Students who do not complete the MHR program in 36 credit hours should contact the Financial Aid Services Office for more information.

WARNING:
Failure to maintain Satisfactory Academic Progress will cause you to be suspended from financial aid. Academic Progress Standards are strictly enforced and apply equally to traditional and non-traditional students. If you have any questions regarding your program, please contact our office.
Before you will be processed for financial aid, this form must be signed and returned to Financial Aid: Non-Traditional Programs, Attention: Rachel Blake at rmeyer@ou.edu or fax to 405.325-5337.
