**Dean’s Student Advisory Council**

**Application deadline is Friday, April 21**

The Council functions as a conduit for direct communication between the college’s students and administration. The meetings also offer an opportunity for the Dean and her administrative staff to solicit advice and students’ perspectives on decisions affecting matters of importance to students. In addition to attending monthly meetings, the members serve on various committees of the college, such as the faculty search committees, academic appeals, and academic misconduct board, and also represent the college at a variety of campus, alumni, and community events.

GET AHEAD. STAY ON TRACK. CATCH UP.

WHY SHOULD YOU ENROLL IN OU SUMMER SESSION?

Summer Session provides you with “more possibilities” and a unique opportunity to get ahead, stay on track, or catch up while still enjoying some downtime during the summer.

Most summer classes held on campus are small, allowing students and faculty to enjoy more informal interactions in a relaxed environment. In addition, all students may live on campus during the summer months where friendships are formed, programming and activities are provided, and easy parking is available.

Understanding that many look forward to a slower pace during summertime, OU’s intensive, accelerated summer course schedule allows students to earn quick credit hours while providing ample time for enjoying summer downtime and fun.

Do you have Banked Hours?
Banked hours expire after summer and do not carry over year to year. Check the flat rate tuition website for details.

Summer Events 2017!

* Movies at Meacham and the Warren
* Summer Intramurals
