**Fine Arts Math Policy:** Fine Arts majors are required to complete math during their first 4 semesters of enrollment (transfer students have 2 semesters to complete the math requirement). *Not completing the math requirement will prohibit you from enrolling in upper division Fine Arts courses.*

**Closed Classes:** If you have special permission to enroll in a closed course, once the override is entered in the system, you must enroll in the class by entering the CRN number in one of the boxes at the bottom of the enrollment screen and clicking the submit button.
