DOCTORAL DEGREE REQUIREMENTS

General policies for all University of Oklahoma doctoral programs are available in the Graduate College Bulletin.

DOCTOR of PHILOSOPHY

MAJOR: Planning, Design and Construction

CONCENTRATION: Landscape Architecture

Program effective Summer 2014

COURSEWORK REQUIREMENTS

Although all concentrations require a total of 58 hours of post-master’s work, each College of Architecture division will tailor their requirements depending on the dissertation topic.

General Education

- Master’s level equivalent coursework in architecture, construction, interior design, landscape architecture, and planning .................................................................................................................. 32 hours

Core PDC Courses

- PDC 6003  History and Philosophy of Planning, Design and Construction .................................................. 3 hours
- PDC 6023  Advanced Research Methods ........................................................................................................... 3 hours

Total ........................................................................................................................................................................... 6 hours

- Concentration .......................................................................................................................................................... 12 hours

With assumption that Ph.D. students will enter with a master’s in landscape architecture, they are to select four of the following courses:

ARCH 6143  Theory of Sustainability
GEOG 5443  Urban Ecology
L A 5943  History and Theory of Landscape Architecture
RCPL 5173  Urban and Regional Analysis
L A 6643  Urban Design Theory
RCPL 5463  Geographic Information Systems for Land Use Planning

- Concentration Coursework ...................................................................................................................................... 40 hours

Includes minimum 2 hours dissertation preparation (PDC 6980 Research for Doctoral Dissertation).

- TOTAL .................................................................................................................................................................... 90 hours
