Old Business
- The Graduate Council voted ten to one to approve a change the current 25% transfer credit rule for master’s degrees in the Graduate College Bulletin. Master’s students will now be able to bring in a total of 12 hours from outside the degree program (transfer credit hours,
hours taken as an unclassified student, or a combination of both), rather than 25% of the
total number of hours required for the degree program.

• The Graduate Council voted unanimously to approve a change to the Graduate College
Bulletin regarding the graduate faculty status of master’s committee chairs. Master’s
committee chairs must hold M1 graduate faculty status in the student’s home department.
This change is in line with the current policy that doctoral committee chairs must hold M3
graduate faculty status in the student’s home department.

Subcommittee Reports

• Dr. Fiedler provided the following report on the April 18, 2013 HSC Graduate Council
meeting:

1. New tradition, lunch is being served. Attendance appeared to be quite large as
compared to recent occasions.
2. Courses approved. Graduate Faculty appointments approved.
3. Minors on campus. For example minors in a summer camp situation. All OU
employees having some sort of interaction with the minors must have a
background check from OSBI. For faculty, the check must have occurred no
more than one year prior, for graduate students 6 months prior. The point was
made that this new rule is thanks to certain high profile case at Penn State. Some
faculty were doubtful that these background checks would reveal any HSC
employees as sex offenders, and would not have helped at Penn State.
4. Motion something like "All didactic courses must allow for student
evaluations" was approved. Unlike Norman, there apparently is no requirement
currently at HSC. The sentiment is not to adopt the Norman exception of "unless
the number of students is less than 5". (Which the Norman representative claimed
existed, which might not be the case).
5. A new HSC rule is that all students must sign release forms for any "high risk"
or "moderate risk" event. An example for a "moderate risk" event is a trip by an
official graduate student group to a restaurant that serves alcohol. Some sentiment
was expressed that enforcement of this rule might be met with derision.
6. It was announced that the Norman campus has allegedly hired a "social media
specialist", for aiding purposes such a faculty wanting to use twitter or Facebook
in a course. HSC will apparently do the same.

• Dr. Griffith provided the following report on the May 6, 2013 Faculty Senate meeting:
  o The May 6 meeting was the last Faculty Senate meeting for the year.
  o Joe Castiglione addressed the faculty about student athletics and emphasized
    several points. First. He affirmed the commitment to academic excellence: 2/3
    of student athletes were names a Sooner Scholar (gpa of 3.0); average gpa is 3.3;
    focus on graduation rate which is predicted to increase this year; summer
    academy to get new athletes acclimated to the campus including social and coping
    skills as well as academic rigor. Second, the athletics program is totally self-
    sustaining, only one of about 5 or 6 in the nation; contributes approximately
    $8,000,000 a year to the academic side of campus. Third, this year was the best
    athletic year overall. Fourth, new athletic dorm scheduled to open August
    1. Finally, comment about conference realignment--not sure if we are finished
    with it.
Kelvin Droegemeier addressed the faculty senate about impact of sequestration on research. Lion share touches defense and NIH and NSF, which are what OU relies on the most; 80% of OU's research budget is federal emphasis is on diversifying funding sources.

Bradley Burnett spoke on the impact of sequestration on student financial aid; Pell is protected; money to resident students should be okay.

Final address was from Les Hoven, new Associate Vice President and Chief Human Resources Officer. The OU wellness programs are designed to manage the number of medical claims filed.
