Discussion Items

- **Graduate Council agenda deadlines**
  - Beginning in August 2017, Graduate Council agenda items will be due by 5:00 p.m. **four weeks prior** to the meeting day rather than two weeks. This will allow the Course and Programs subcommittee to have additional time for their review process, which frequently includes contacting departments for additional information relating to course and program modifications and proposals. The new agenda deadline dates will be posted on the Graduate College website under Faculty Resources/Graduate Council.

Announcements

- The Provost’s Office will send out an email with a link to the final report of the Provost’s Task Force on Graduate Education Funding and Competitiveness.
- Videos from the Three Minute Thesis Competition presentations will be uploaded to the Graduate College website as soon as closed-captioning is completed.
- LaVonya Bennett, First Place and People’s Choice Award winner of the Three Minute Thesis Competition, will compete at the Midwestern Association of Graduate Schools 3MT® competition on April 7, 2017. LaVonya is a Ph.D. candidate in the College of Education.
- Departments are encouraged to submit applications for Alumni and Foundation Fellowship funding for recruitment of superior doctoral students.
- Beginning in Fall 2017, OU will likely receive funding from NSF for the Bridge to the Doctorate Fellowship Program. The fellowship supports underrepresented minority students who will begin a STEM Ph.D. program and who have been involved with the Louis Stokes Alliance for Minority Participation program. An informational email and flyer were sent to liaisons in the sciences, mathematical sciences, and engineering.

Subcommittee Reports

Dr. Ben Holt submitted the following report of the Academic Program Review Committee meeting:

- The APR committee has been fairly quiet for the past month as we begin to finalize reviews for the 2016/2017 academic year. The external reviewers have finished their tours of the various units, and we are just beginning to receive their final reports. Once those reports are in hand, the assigned Chair for review of each unit will develop a draft internal report. After review by the committee, these reports will be delivered to the Provost.

Dr. David P. Moxley provided the following information about the Faculty Senate Meeting on March 6, 2017:

- Recipients of the Ed Cline Faculty Development Awards were announced for the 2016/2017 academic year.
- The 2017 Big Event on Saturday, April 1, 2017 was discussed.
- The WGS Center for Social Justice is offering a workshop series entitled *Diversity Ally for Faculty*. Contact Megan Smith in the OU Women’s and Gender Studies Center for Social Justice: mgs@ou.edu or 405-325-5787. Registration can be found at [www.eventbrite.com/o/the-center-for-social-justice-12692880536](http://www.eventbrite.com/o/the-center-for-social-justice-12692880536).
- A new faculty senate committee involving faculty diversity, equity, and inclusion is being formed. The charge is as follows:
  - This committee is responsible to the Faculty Senate for reviewing and recommending university policy and practice on issues related to faculty diversity, equity, and inclusion.

In carrying out this responsibility, the Committee shall:
(1) Investigate, discover, and promote best practices for faculty recruiting and retention.
(2) Gather and review information on the allocation of university resources (awards, research grants, prizes, etc.) and advancements (tenure, promotion, named professorships, etc.) relative to metrics of diversity, equity, and inclusion.
(3) Suggest to the Senate appropriate proposals, strategies, and forums for advancing the goals of the committee.
(4) Work with the Office of University Community to set priorities, advance policy, and follow up on the progress of proposed initiatives.
(5) Report at least yearly to the Senate and, upon approval, the President and the Provost.

Operating Procedures: The Committee shall formulate its own operating procedures, which shall include:

(1) The election of a chair from among the faculty members of the Committee.
(2) Provision for a sub-committee of the Committee to which non-members of the Committee may be appointed by the Faculty Senate, if the Senate deems such additions appropriate.
(3) Provision for liaison with all appropriate councils and committees.

The committee will have seven members elected by the Faculty Senate who serve three-year staggered terms. The Senate is soliciting initial members for this committee.

- The Faculty Senate Committee on Committees released its nominations for all the major committees.
- There was some discussion of broadening the scope of faculty access to newspapers in addition to the *New York Times*.

Dr. Charles Warnken submitted the following report from the March 16, 2017 meeting of the OUHSC Graduate Council:

1. Minutes for the February meeting were approved without amendment.
2. Reports by Standing Committees
   - **Curriculum Review Committee**
     Work continues on program modifications and changes to class listings and titles that are associated with the program modifications. Graduate courses that have not been offered for five years are to be reviewed, and departments will be asked if they plan to keep them.
   - **Faculty Appointment Committee**
     OUHSC is actively cleaning up loose ends on adjunct appointments, and departments have been asked to review their designated faculty status with the Graduate College, a process similar to our MO-M3 and SM designations.
   - **Faculty Senate Report**
     Discussion on parking was the primary item. OUHSC utilizes a company and they have been aggressive in ticketing and "booting" cars. Faculty, staff, and students, as well as OUHSC patients and research associates (including participants), use the parking lots, so the issue is ongoing. In addition, "Soonertrack," an online database for all OUHSC faculty research activities, is being discussed as a new program to create a uniform database for such activity.
   - **RCR Committee**
     No update
• Program Review
   The Department of Orthodontics is awaiting the final report for internal review (similar to the Norman campus Academic Program Review process). The Department of Periodontics is preparing for their review.

3. Graduate Student Association
   The 42nd annual GREAT (Graduate Research Education and Technology Symposium) was held the week of March 27-31. This is similar to Graduate Research and Creativity Day and the Three Minute Thesis (3MT®) competition. GREAT had 116 student presentations.

4. Old Business
5. New Business
   • One item of new business was the requirement that all students at all OUHSC programs must undergo background checks, and the cost will be charged to the student. The cost is $77 for the first check and $63 annually in subsequent years. For all students, the inaugural background check will cover a seven-year period. Each department has been asked to discuss the ramifications of a student who does not clear their background check.
   Some key questions by faculty included:
   Can conditional admission be offered until background checks are clear? If we admit someone and they do not pass the background check, are they out of the program? If so, are we currently admitting people that can't achieve the degree? Enrollment holds can and will be used on students who do not participate. How will the findings be ultimately used, i.e., if something turns up, are they out of the program automatically? What is the appeal process for students?
   • Some proposed changes to the Graduate Council Charter are being discussed, mostly a process of administrative review and clean-up.
   • Monday, April 10 at 5pm is the OUHSC Campus Awards Ceremony.
   • The next meeting of the OUHSC Graduate Council is Thursday, April 20 at noon.

Dr. James Sluss, Dean of the Tulsa Graduate College, offered the following:
   • Three interdisciplinary Ph.D. proposals will be submitted soon for Council consideration. The culture of the Tulsa campus programs lends considerable opportunity for collaboration on interdisciplinary projects.

Course Modifications and Proposals

The following course modifications and proposals have been approved by the Graduate Council and will be forwarded to the Academic Programs Council for further approval after the seven (7) day protest period. Only brief information regarding approved changes follows; however, original course change proposals will be on file in the Graduate College through the seven-day protest period if you have questions or concerns about any of the following. Please contact the Graduate Council Secretary, Linda Kelly, at 325-3106, if you wish to review any of these materials.
