The 15th Annual University of Oklahoma Society of Petroleum Engineers Golf Classic will be held on **Friday, August 28, 2015** at **Winter Creek Golf Course in Blanchard, OK**. We are bringing the tournament back to Winter Creek this year in order to accommodate a large Friday tournament. This year’s tournament, as always, offers you a chance to meet outstanding students, catch up with old colleagues and friends, and to support an organization that houses the future professionals of our industry, all while playing at a beautiful golf course. Winter Creek is excited to be hosting the tournament again and has put their best foot forward in the cooperation of planning this event. A new addition to the tournament this year is that there will be a Harley Davidson motorcycle on one of the par three’s. Any player has the potential to win the Harley Davidson if a hole-in-one is achieved.

The tournament is organized each year by the University of Oklahoma student chapter of the Society of Petroleum Engineers (OUSPE) and serves as our major fundraising event for the school year. Our goal is to put on a fun and useful tournament each year to promote interaction among the new petroleum students and the industry professionals.

The money that is raised is used for:
- Subsidizing OUSPE’s student expense for the SPE Annual Technical Conference and Exhibition (ATCE) held in Houston, Texas this year, Sept. 28-30, 2015. Last year we were able to send more than 45 students to Amsterdam thanks to your contributions.
- Meetings and social events throughout the year.
- Remaining funds will be used for OUSPE’s recurring yearly expenses and other OUSPE activities held throughout the school year.

The entry fee is **$1000 per team** or **$300 for individuals**. This includes:
- Green fee & cart
- 1 sleeve of Taylormade Tour Preferred golf balls per person
- 5 Drink tickets per person
- Unlimited range balls
- Hot breakfast burritos & coffee
- On-course contests such as closest to the pin & long drive, with prizes to the winner.

After play is completed, prizes for 1st and 2nd place teams will be awarded along with long drive and closest to the pin awards.

The tournament is set for a shotgun start at **9:00 a.m.** Please plan to arrive one hour before the tournament for tee assignments and breakfast. There will be coffee, hot breakfast burritos, and a chance to purchase mulligans and other helpful perks for the tournament. There will also be multiple games/incentives throughout the course that have the potential to lower your score.

The tournament format will be a four-man scramble. For teams wanting extra networking opportunities with students, we will have a list of students looking to join a team. A list of interested students with their résumés and information will be sent out a few weeks before the tournament. If you are interested in inviting your own students/interns please designate this on the entry form so a student is not placed accidentally. This annual event provides a tremendous opportunity for company representatives to meet outstanding students and other members of the industry. It also allows students to interact with engineers and industry personnel in a relaxed, enjoyable environment outside of interviews/internships.
The tournament is restricted to 36 teams in order to allow for two teams per hole. This means that the slots will be filled on a first come, first served basis, so the earlier that a team can be formed, the better. In order to make final preparations for the tournament, we would appreciate receipt of your entry form and payment as soon as possible. All entry forms and payments must be received by **Wednesday, August 5, 2015.**

**Sponsorship Opportunities**

**Benefits of Sponsorship Levels:**
This tournament is organized each year by OUSPE and is our main fundraiser for the school year so sponsorship is greatly appreciated. In addition, we believe these sponsorship opportunities are an excellent way for your company to become more involved with OUSPE and advertise to other companies and individuals within the industry. The petroleum engineering program has grown to a record number, which means that we will be taking even more students to ATCE this year. Any form of sponsorship or contribution is highly valued.

**Sponsorship Levels:**
<table>
<thead>
<tr>
<th>Level</th>
<th>Sponsorship</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Platinum</strong> Sponsorship:</td>
<td></td>
<td>$5,500</td>
</tr>
<tr>
<td><strong>Gold</strong> Sponsorship:</td>
<td></td>
<td>$4,500</td>
</tr>
<tr>
<td><strong>Silver</strong> Sponsorship:</td>
<td></td>
<td>$3,500</td>
</tr>
<tr>
<td><strong>Bronze</strong> Sponsorship:</td>
<td></td>
<td>$2,500</td>
</tr>
</tbody>
</table>

**Platinum** sponsorship guarantees your company:
1) Three (3) team entries
2) Free tournament shirts
3) Hole sponsorship sign
4) Driving range sponsorship sign
5) Recognition on the clubhouse sponsorship sign

**Gold** sponsorship guarantees your company:
1) Two (2) team entries
2) Free tournament shirts
3) Hole sponsorship sign
4) Driving range sponsorship sign
5) Recognition on the clubhouse sponsorship sign

1) One (1) team entry
2) Free tournament shirts
3) Hole sponsorship sign
4) Recognition on the clubhouse sponsorship sign

**Bronze** sponsorship guarantees your company:
1) One (1) team entry
2) Free tournament shirts
3) Recognition on the clubhouse sponsorship sign
Other Sponsorship Opportunities:

**Hole** Sponsorship: $300  
**Driving Range** Sponsorship: $300  
**Other Forms** of sponsorship

- **Hole Sponsorship** entitles your company logo or personal name to be advertised on the tee box of your assigned hole.  
- **Driving Range Sponsorship** entitles your company logo or personal name to be advertised on the driving range.  
- If there are other ways that you or your company would like to contribute or sponsor, please let us know.  
- There will be an opportunity to purchase mulligans and string on the entry form or on the day of the tournament.  
- String can be used on every green and acts as a personal “gimme” circle.  
- On course games will consist on multiple holes to improve score and position.

**ATTENTION:** Hole and driving range sponsors need to fill out the attached sponsorship sign form. If your company would prefer to provide your own sign or logo, please let us know so that we can provide this information to the course and pick it up prior to the tournament.

All forms of sponsorship are greatly appreciated, from providing food and drinks to sponsoring multiple teams. OUSPE strives every year to put on a great tournament with a fun atmosphere as well as fundraise enough to provide for the yearlong list of activities that are held for the students and industry professionals. If there is any other way you would like to sponsor the tournament that has not been mentioned, feel free to contact us.

**If you have any questions, please contact:**  
Collin Greer at (832) 315-1127 or at Collin.S.Greer-1@ou.edu

Please note, a separate email will be sent out in the near future in reference to buying tournament shirts if a sponsorship is not purchased.
