Course Title:
Generalist Practice for Individuals, Families, and Treatment Groups

Course Number:
SWK 5103-103

Course Description:
This is the first of two generalist social work practice courses. It explicates a generalist perspective that focuses on the knowledge, values, skills, and techniques appropriate for engagement, assessment, intervention and evaluation with individuals, families, & treatment groups. Prerequisite: SWK 5233.

Course Purpose:
This course introduces the student to the generalist perspective and its application with individuals, families and treatment groups. Based upon the generalist intervention model, it builds upon evidence-based knowledge gained in concurrent foundation year courses. Skill development focuses on the use of self in the helping relationship supported by the values of culturally sensitive practice. The course is further supported by the concepts of person-in-environment, client strengths, and social and economic justice.

Class Dates, Location and Hours:
Dates: Jan. 17, 24, 31, Feb. 7, 14, 21, 28, March 7, 14, 21, 28, April 4, 11, 18, 25 & May 2, 2017
Location: Room 210, Zarrow Hall, 700 Elm Avenue, Norman OK
Hours: Tues. 6:00 - 9:00 p.m.
Last day to enroll or drop without penalty: January 16, 2017

Campus Map and Parking Information: A map of the campus can be found on the OU website at: http://www.ou.edu/map/. The entire campus is open for parking from Friday at 4:00 pm until Monday at 7:00 am. Students can park almost anywhere on campus including the parking garages, permits are not required and meters do not have to be paid. OUPD will ticket illegal parking such as fire lanes, handicap areas and yellow curbs.

Site Director:
Email: apnorman@ou.edu. Phone: 405-325-3333.

Professor Contact Information:
Course Professor: Ann T. Riley, PhD, MSW
Telephone Number: (405) 325-1396
E-mail Address: anriley@ou.edu
Professor availability: The professor will be available via email to students before and after the class sessions. On-site office hours are half an hour before and after each class session, by appointment.

Textbook(s) and Instructional Materials:
Student materials are available at the OU Follett Bookstore located at 1185 Asp Avenue; Norman, OK, and can be ordered online, by phone, by email, or by fax. Ordering online at http://www.bkstr.com/oklazomastore/home is strongly recommended – students can track the status of their order within 48 hours. If an order has not been shipped within three days, students can contact the Follett textbook manager by phone (405) 325-3511, (800) 522-0772 (toll-free) or email
Phone orders (ask for the textbook manager and identify yourself as an Advanced Programs student) can be placed 8 a.m. to 6 p.m. Monday through Thursday; 8 a.m. to 5 p.m. on Friday; 10 a.m. to 4 p.m. on Saturday (CST). Summer hours: 9 a.m. to 5 p.m. Monday through Friday (CST). Fax orders can be placed 24 hours a day at (405) 325-7770. Text prices are available online.

2. Additional materials will be posted on the Canvas course site. Access Canvas at Canvas.ou.edu. Enter your OU NetID and password, and select course to access material. Please contact your local Site Director if you require assistance.

**Recommended:**

Note: Follett is the Advanced Programs contractual textbook provider. Should text changes become necessary after publication of the course syllabus, Advanced Programs will facilitate text returns/refunds only for texts purchased through Follett.

**Educational Outcomes:**

Given regular class attendance, participation in class activities, completion of assigned readings, and successful completion of course assignments, students will, at the conclusion of the course, have the ability to:

A. List and articulate societal and personal values relative to human differences as related to the professional value base for multi-level generalist practice;

B. Formulate a generalist intervention plan which reflects skills in client engagement, motivation, problem definition, assessment, intervention planning, appropriate selection of intervention procedures, and outcome evaluation;

C. Demonstrate intervention skills informed by culturally sensitive perspectives that are effective with diverse individuals, families, and treatment groups;

D. Describe families in dimensions of culture, socioeconomic status, member composition and developmental stage, and the implication of these for effective intervention; and,

E. Apply knowledge of group dynamics and structural variables, including cultural norms, values, and group composition, to social work practice with families and treatment groups.

**Learning Methods Used:**

This course will use readings from textbooks and other supplemental sources available on the online learning system, Canvas. The course will use lecture and seminar style discussion, student-led presentations, simulation, and written assignments. Audio/visual materials will be used including Power Point, handouts, and information on the system.

**Social Work Competencies And Practice Behaviors Assessed:**

Upon successful completion of the course students will demonstrate novice ability in the following areas:

**Competency 1:**

Students know the profession’s history and are committed to SW core values and principles. They recognize that SW as a profession is unique in its focus on social justice and person in the environment.
Associated Behaviors:

- F 1.1 Advocate for client access to services available in their communities. (Assessed in Assignment 1).
- F 1.2 Recognize the importance of identifying the influence of their own values on practice. (Assessed in Assignment 2)
- F 1.3 Identify and discuss professional roles and boundaries. (Assessed in Assignment 2)
- F 1.4 Identify and discuss professional demeanor in behavior, appearance, and communication. (Assessed in Assignment 2).

Competency 2:
Students have read and discussed the SW Code of Ethics. They are knowledgeable of the value base of the profession, its ethical standards, and relevant laws.

Associated Behaviors:

- F 2.1 Recognize personal values in a way that gives priority to professional values in guiding practice (Assessed in Assignment 2).
- F 2.2 Make ethical decisions by identifying the relevant standards in the NASW Code of Ethics. (Assessed in Assignment 2).

Competency 3:
Students are knowledgeable about scientific inquiry, and the importance of critical reading of research.

Associated Behaviors:

- F 3.1 Identify and appraise multiple sources of knowledge, including research-based knowledge. (Assessed in Assignments 1 & 2)
- F 3.2 Identify and critique multidimensional assessment, prevention, intervention, and practice evaluation tools. (Assessed in Assignment 1)
- F 3.3 Demonstrate effective oral and written communication in working with individuals, families, groups, organizations, communities, and colleagues. (Assessed in Assignment 2)

Competency 6:
Students understand quantitative and qualitative research along with the scientific and ethical approaches to building knowledge.

Associated Behaviors:

- F 6.1 Understand the importance of evidence-based practices (Assessed in Assignments 1 & 2)
- F 6.2 Conduct informed literature reviews when working with specific client problems. (Assessed in Assignment 1)
- F 6.3 Use research evidence to inform practice (Assessed in Assignments 1 & 2)

Competency 7:
Students are knowledgeable about human behavior across the lifespan. They can describe theories pertaining to biological, social, cultural, psychological, and spiritual development.

Associated Behaviors:

- F 7.1 Discuss conceptual frameworks that guide the processes of assessment, intervention, and evaluation (Assessed in Assignment 2)
- F 7.2 Understand the complex interrelatedness of individuals and the various systems that comprise their social environment (Assessed in Assignment 2)
Competency 10:
Students have the knowledge and skills to practice with individuals, families, groups, organizations, and communities.

Associated Behaviors:

- F 10.1 – Engagement
  - F 10.1(a) Use empathy, unconditional positive regard, genuineness, reflective listening and other engagement strategies (Assessed in Assignment 2)
  - F 10.1(d) Develop a mutually agreed-on focus of work and desired outcomes (Assessed in Assignment 1)

- F 10.2 – Assessment
  - F 10.2(a) Collect, organize, and interpret basic client data multidimensional bio-psycho-socio-spiritual assessments. (Assessed in Assignment 2)
  - F 10.2(b) Identify client strengths and limitations. (Assessed in Assignment 2)
  - F 10.2(c) Develop intervention plans through the use of mutually agreed-on goals and objectives (Assessed in Assignment 2)
  - F 10.2(d) Select appropriate, evidence-based intervention strategies (Assessed in Assignment 2)

- F 10.3 – Intervention
  - F 10.3(a) Initiate actions to achieve organizational goals. (Assessed in Assignment 2)
  - F 10.3(c) Help clients resolve problems. (Assessed in Assignment 1 & 2)
  - F 10.3(d) Negotiate, mediate, and advocate for clients. (Assessed in Assignment 1)

Major Course Divisions:

A. Introduction to the Social Work Profession, including:
   - History
   - Fields of practice
   - Social Work Values and Ethics

B. Evidence-Based Practice, including:
   - Introduction to EBP
   - EBP model and “triangle” of the levels of available evidence

C. Generalist Intervention Model, including:
   - Engagement
   - Assessment
   - Planning
   - Implementation
   - Evaluation
   - Termination
   - Knowledge and skills for addressing needed change

D. Families
   - Target for intervention
   - Structure, roles, and communication

E. Treatment groups, including:
   - Group process and roles
   - Group treatment skills

Course Outline
The course will involve lecture, group discussion, reflection papers, video and simulation.

**Assignments, Grading and Due Dates:**

**Submission of Assignments**

All assignments are to be submitted online into Canvas. Should a student experience technological difficulty with their submission, she/he may send the assignment to the instructor by email attachment and communicate the nature of the problem. Whenever possible, Canvas submission is preferred.
Late Assignments:

All assignments must be turned in on or before the due date at the start of class. Any assignments turned in after class, or after the assigned due date, will receive a 5% grade reduction each day, up to three days late. After the third day, assignments will not be accepted and students will earn a zero.

Keys to doing well on assignments: 1) start early, 2) process your thoughts with research material, 3) write with deep thoughts complimented with appropriately cited conceptual or empirical literature, examples, or tacit knowledge. This does not mean being “wordy” but rather, thoughtful and precise.

Assignments Summary

Assignment #1: Ethical Practice Scenarios (10% = 100 points) Due: 1/31/17

Students compose a brief, substantive, response to selected scenarios representing varied ethical dilemmas that could be encountered in social work practice. The assignment is designed to assess one’s capability to (1) identify ethical dilemmas in social work practice and the NASW Code of Ethics sections that should address them, and (2) other reasonably accurate resolutions for practitioners to follow to resolve these dilemmas. The assignment is paired with an in-class discussion Week 2.

10 points per scenario (for 100 points total) for substantial written detail that explains & expounds on the ethical concern(s) related to the vignettes. ½ page per scenario required.

Assignment #2: Client Engagement & Simulation Reflection (20% = 200 points) Due: 2/28/17

Students first participate in a 3-hour introductory training on the SBIRT (Screening, Brief Intervention, and Referral to Treatment) model in class. The simulation event will occur the following week. During the simulation, students will conduct a 10-minute one-on-one interview with a “simulated client” to demonstrate engagement skills. They will also complete the SBIRT survey and participate in a final group feedback session. The assignment is capped off with a brief reflection paper due the following week.

50 points is earned for the students’ involvement in the SBIRT model training.

50 points is earned for the students’ participation in the simulation; however, this cannot be made up.

100 points is possible for a written reflection on their engagement with the client, to include:

1) their process for establishing rapport;
2) their use of OARS during the screening;
3) their use of MI techniques with the AUDIT;
4) feedback received and/or lessons learned by the student for their development.

Assignment #3: Psychological First Aid Online Course (10% = 100 points) Due: 3/14/17

Social workers are often the part of the “first response team” when disasters hit. This online course offered through the National Child Traumatic Stress Network will provide an introduction to mental health aid to victims of trauma as a result of disaster. Students must provide the certificate of completion.

Psychological First Aid: Helping People Cope During Disasters & Public Health Emergencies: A Self-Study Program on Psychological First Aid and Workforce Resilience
http://pfa.naccho.org/pfa/PFA_Start.html

Assignment #4: Bio-Psycho-Social Assessment & Ecomap of Change (30% = 300 points) Due: 3/28/17

Students will compose a complete Bio-Psycho-Social Assessment based upon their individual life experience. Using this document, they will construct a description of a major change in their life, using an Ecomap to represent their person-in-environment experience before and after this major change.

Assignment #5: Evidence-Based Practice Paper (30% = 300 points) Due: 4/18/17

Social workers are expected to understand evidence-based practices and then to educate, network and evaluate as part of their profession. Having updated research knowledge and updated community resource knowledge about problems addressed by social workers ensures practice. Students will write an 8-10 page
paper on an evidence-based practice for a problem in an area of interest to the student, and then critique their community resources using the literature review as a guide. Use assignment outline to write paper.

**Grading:**

This is a letter-graded course: A, B, C, D, or F.

Based on **1000 points total**:

<table>
<thead>
<tr>
<th>Points</th>
<th>Grade</th>
<th>Percentile</th>
</tr>
</thead>
<tbody>
<tr>
<td>1000-900</td>
<td>A</td>
<td>90%</td>

</table>

(*Items 4 and 5 are common assignments for all course sections offered by the School.)*

**Overall Grading Criteria for This Course**

The following general guidelines are used to determine a grade for an assignment. Should you have specific questions about your grade, please contact the instructor.

A = All or most aspects of the assignment are outstanding. The student responds completely to all parts of the assignment and demonstrates exceptional critical thinking ability.

B = All content requirements are met and the overall quality of the assignment is very good.

C = Most content requirements are met, but some parts of the assignment are not adequately developed.

F = Major parts of the assignment are not addressed, and/or many of them are not adequately developed. Assignments with plagiarized material automatically will receive an F.

**Criteria for Grading Written Assignments**

For all of the written assignments in this course, the following criteria pertain:

1. All of the elements of the assignment will be covered.
2. Evidence will be presented to back up your analyses (specific examples will be given to illustrate vague ideas or concepts or to make a point more clearly).
3. Assignments will be well-written in terms of clarity of expression (use first person only when appropriate; use active rather than passive voice).

4. APA style will be used; style errors are counted as punctuation errors in terms of calculating points lost for errors.

5. There will be a minimum of typographical, spelling, punctuation, or grammatical errors (you will be allowed only one of these types of errors per page before you start losing points).

**Notice:** Failure to meet assignment due dates could result in a grade of “I” (Incomplete) and may adversely impact Tuition Assistance and/or Financial Aid.

**Class Policies**

**Academic Conduct**

Each student should acquaint her or his self with the University’s codes, policies, and procedures involving academic misconduct, grievances, sexual and ethnic harassment and discrimination based on physical handicap. This information can be obtained at [http://studentconduct.ou.edu/](http://studentconduct.ou.edu/). Students should also be familiar with the Anne and Henry Zarrow School of Social Work Academic and Professional Performance Policy and the NASW code of ethics.

**Statement of Reasonable Accommodation**

The University of Oklahoma is committed to providing reasonable accommodation for all students with disabilities. Students with disabilities must be registered with the Disability Resource Center (Norman) or the Office of Disability Resources (Tulsa). These offices then determine and notify the student and instructor of any accommodations in this course.

**Provost-Approved University Activities and Religious Observances**

It is university policy “to excuse student absences that result from religious observances and to provide without penalty for the rescheduling of examinations and additional required class work that may fall on religious holidays.” Therefore, a make-up exam will be given when it falls on a practiced religious holiday and/or for religious observances and “Provost-approved University-sponsored activities such as scholarly competition, fine arts performances...” and legally required activities, such as emergency military service and jury duty... (Student Codebook, p. 26)

**Health Insurance Portability and Accountability Act Statement (HIPAA)**

In line with the new HIPAA regulations concerning protected health information, it is important that you understand that any client information that you share, either verbally or written, will need to be de-identified. This means that any information that would allow another to identify the person needs to be changed or eliminated. This includes obvious things like names and birth dates, but may also contain other information that is so unique to the person that it could allow for identification, including, but not limited to diagnosis, race/ethnicity, or gender. If diagnosis, race/ethnicity, or gender is directly related to the case presentation, it can be included if it will not allow for identification.

**Adjustments for Pregnancy/Childbirth Related Issues**

Should you need modifications or adjustments to your course requirements because of documented pregnancy-related or childbirth-related issues, please contact me as soon as possible to discuss. Generally, modifications will be made where medically necessary and similar in scope to accommodations based on
temporary disability. Please see www.ou.edu/content/eco/pregnancyfaqs.html for commonly asked questions.

Title IX Resources

For any concerns regarding gender-based discrimination, sexual harassment, sexual misconduct, stalking, or intimate partner violence, the University offers a variety of resources, including advocates on-call 24/7, counseling services, mutual no contact orders, scheduling adjustments and disciplinary sanctions against the perpetrator. For access to these resources please contact:

OU Advocates* (formerly known as SART) at http://www.ou.edu/studentaffairs.html 24/7: (405) 615-0013

In Norman, If you have a report of a potential policy violation, you should report it directly to the Sexual Misconduct Officer: Kathleen Smith (405) 325-2215, Four Partners Place, 301 David L. Boren Blvd., Suite 1000, Norman, Oklahoma 73019, or smo@ou.edu; or you may report it to the Interim Title IX Officer: Bobby Mason (405) 325-3549, Four Partners Place, 301 David L. Boren Blvd., Suite 1000, Norman, Oklahoma 73019, or bjm@ou.edu or the Associate Title IX Coordinator for the Health Sciences Center Campus: Bobby Mason (405) 271-2110, 755 Research Parkway, Building 4, Suite 429, Oklahoma City, OK  73104, or bobby-mason@ouhsc.edu.

The Learning Environment:

We are all responsible for promoting a productive and healthy learning environment in the classroom. (This material is adapted from my colleague, Dr. Gandy-Guedes.)

Instructor Role & Responsibilities: Mine -

1. To create a safe environment conducive to learning.
2. To push the boundaries of your current thinking, in order to foster intellectual growth.
3. To be fair and consistent in classroom policies and assessment of student performance.
4. To give clear and succinct guidance on what my expectations are from you as a student.
5. To give you the opportunity to communicate your needs and concerns as a learner.
6. To act professionally and ethically at all times.
7. To give respect to all persons in the classroom, and take appropriate action to ensure that respect is consistently present in the classroom environment.

Student Role & Responsibilities: Yours -

1. To communicate if you have a concern, question, or problem with anything in the classroom environment.
2. To act professionally and ethically at all times, including arriving on time to class and staying for the duration of the class period.
3. To accept challenges to your current thinking in order to foster your intellectual growth.
4. To give respect to all persons in the classroom. This includes eliminating distractions such as cell phone usage and off-topic internet usage.
5. To come prepared to class, having completed all assigned readings, and turning in assignments thoroughly completed and on time.

Plagiarism and Academic Integrity

Plagiarism will not be tolerated in any form in courses that I teach. While no one is expected to be perfect, I do expect that you learn from your mistakes and do not repeat any offenses that come to your attention. For this course, plagiarism is defined as: “1) copying text directly without giving credit to the original source, 2) copying text directly from one source while crediting another, 3) copying text directly while citing the information as a paraphrase, or 4) presenting a unique idea from another source as original work.” (Gushwa, Chance, & Mennes, 2009, p. 3). Furthermore, academic integrity is in alignment with the NASW Code of Ethics value on Integrity. A great resource to help you better understand and avoid plagiarism is available at http://www.plagiarism.org/
Attendance

Due to the participatory nature of this course, each student is expected to attend every class in its entirety. Because lecture material and discussions are central to student learning, and to uphold course integrity, it is important to attend and arrive on time. Tardiness is distracting and disrupting to the class, instructors and fellow peers. Emergencies do arise, however, so reasonable absences or tardies can be addressed and on a case-by-case basis. Communicate with the instructor in advance, or as soon as possible, about these.

Specific policy: More than 6 hours of absence (2 class periods) for the entire course will result in a reduction of your overall grade by 10 percent. If you miss between 7-9 hours, you will be responsible for completing a 10 page make-up assignment reflecting on the assigned readings for the missed class session. If you miss more than 9 hours of course in any semester, you will be asked to drop the course or alternatively receive a failing grade. You are responsible for all course information presented and/or materials passed out regardless of an absence. Be sure to contact fellow students for updates. These penalties will not apply if the student has been admitted to the hospital or if there is a death in the immediate family; a doctor’s note or obituary will be required for documentation. (See Attendance/Grade Policy.)

Attendance Policy Summary:

- Expectation – students are to attend, be on time, and fully participate in all class sessions
- Communicate – with the instructor for illness or other known unavoidable absences or tardies
- Allowable absences – student can miss two class periods (6 hours) without direct effect on grade
- Excessive absences – more than 6 hours of absence will result in a 10% reduction of overall grade
- Excessive absences+ – miss 7-9 hours and a 10 page make-up paper on those readings is due
- Unacceptable absences – miss more than 9 hours either drop the course or receive a failing grade

Incomplete Policy:

An incomplete grade for the course may be assigned only if the student has “satisfactorily completed a substantial portion of the required coursework for the semester” (Oklahoma State Regents Policy). Additionally, the instructor must advise the student (and the Office of Academic Records) what must be done to complete the course, and must set a time limit appropriate to the circumstances (OU General Catalog, Academic Standards, Grades). It is recommended that the student request the incomplete grade as soon as possible before the end of the course, and that the student and instructor construct a written contract outlining what is needed to resolve the incomplete grade.
POLICIES AND NOTICES

Attendance/Grade Policy

Attendance and participation in interaction, individual assignments, group exercises, simulations, role playing, etc. are valuable aspects of any course because much of the learning comes from discussions in class with other students. It is expected that you attend all classes and be on time except for excused emergencies.

Excused absences are given for professor mandated activities or legally required activities such as emergencies or military assignments. It is the policy of the University to excuse absences of students that result from religious observances and to provide without penalty for the rescheduling of examinations and additional required class work that may fall on religious holidays. Unavoidable personal emergencies, including (but not limited to) serious illness; delays in getting to class because of accidents, etc.; deaths and funerals, and hazardous road conditions will be excused.

If you are obtaining financial assistance (TA, STAP, FA, VA, Scholarship, etc.) to pay all or part of your tuition cost, you must follow your funding agency/institution’s policy regarding “I” (Incomplete) grades unless the timeline is longer than what the University policy allows then you must adhere to the University policy. Students who receive Financial Aid must resolve/complete any “I” (Incomplete) grades by the end of the term or he/she may be placed on “financial aid probation.” If the “I” grade is not resolved/completed by the end of the following term, the student’s Financial Aid may be suspended make the student ineligible for further Financial Aid.

Students are responsible for meeting the guidelines of Tuition Assistance and Veterans Assistance. See the education counselor at your local education center for a complete description of your TA or VA requirements.

Academic Integrity and Student Conduct

Academic integrity means honesty and responsibility in scholarship. Academic assignments exist to help students learn; grades exist to show how fully this goal is attained. Therefore all work and all grades should result from the student's own understanding and effort.

Academic misconduct is any act which improperly affects the evaluation of a student’s academic performance or achievement. Misconduct occurs when the student either knows or reasonably should know that the act constitutes misconduct. Academic misconduct includes: cheating and using unauthorized materials on examinations and other assignments; improper collaboration, submitting the same assignment for different classes (self-plagiarism); fabrication, forgery, alteration of documents, lying, etc…in order to obtain an academic advantage; assisting others in academic misconduct; attempting to commit academic misconduct; destruction of property, hacking, etc.;; intimidation and interference with integrity process; and plagiarism. All students should review the Student’s Guide to Academic Integrity at http://integrity.ou.edu/students_guide.html

Students and faculty each have responsibility for maintaining an appropriate learning environment. All students should review policies regarding student conduct at http://studentconduct.ou.edu/

Accommodation Statement

The University of Oklahoma is committed to making its activities as accessible as possible. For accommodations on the basis of disability, please contact your local OU Site Director.

Course Policies

Advanced Programs policy is to order books in paperback if available. Courses, dates, and professors are subject to change. Please check with your OU Site Director. Students should retain a copy of any assignments that are mailed to the professor for the course. Advanced Programs does not provide duplicating services or office supplies.

Any and all course materials, syllabus, lessons, lectures, etc. are the property of professor teaching the course and the Board of Regents of the University of Oklahoma and are protected under applicable copyright.
