Workforce Employee Functions

The employee Home Screen provides links to the following Time & Attendance related functions. The functions on your Home Screen may vary from those described here based on your security and access.

**Actions**

- **My Timesheet**: View, enter or update timesheet data.
- **Go to WebClock**: The WebClock records in and out work times. It functions like a traditional time clock.
- **Request Time Off**: Submit time off requests, track the status of your requests, and view past request history.
- **My Calendar**: Shows your personal calendar which displays events such as time off, pending time off, and holidays.
- **View Reports**: Workforce includes reports for both employees and managers. Employees can access general reports to view timesheet information for a certain period, roles delegated to them, or comments on timesheets.
Customizing the Home Screen

Workforce supports the following Time & Attendance Home Screen customizations:

**Rearranging Function Links**
To rearrange the order in which functions appear within a category, click and drag the function link.
