SUBJECT: Reappointment of Renewable Term Faculty with Instructor or Lecturer Titles

Annual faculty evaluations are conducted each calendar year. During the final year of the multi-year term a faculty member will receive a comprehensive and thorough evaluation of their performance for the entire multi-year term. The unit and college specify the procedures for conducting the comprehensive evaluation.

Personnel Action Forms should be prepared extending the renewable term period for the review dates of June 30, 2018. Attached is a list of renewable term faculty in your college. Please contact Stewart Berkinshaw for any questions or correction.
