Fee Proposal Timeline

- **September 25**: Academic Service Fee – Call for Proposals memo is released by the Provost

- **October 19**:
  - Submit via email (sberkinshaw@ou.edu) Completed Fee Proposal Worksheets (see templates attached). One spreadsheet should be submitted for each college with separate tabs for each fee type.
  - For CCP and Technology Fees with proposed changes, each college must submit via email (sberkinshaw@ou.edu) a worksheet for each fee type listing 1) 2017-18 actual revenue and expenditures; 2) 2018-19 estimated revenue and expenditures; 3) 2019-20 estimated revenue and expenditures. A template ([http://www.ou.edu/content/dam/provost/documents/Fee-Revenue-and-Expenses-Template.xlsx](http://www.ou.edu/content/dam/provost/documents/Fee-Revenue-and-Expenses-Template.xlsx)) is included to use for submission to the Provost’s Office. A separate cover letter may be included in the email explaining how the proposed revenue will be utilized.
  - Submit via email (sberkinshaw@ou.edu) proposed time and place of college town hall meeting to discuss fees with students. This meeting should occur no earlier than **November 13** and no later than the **end of the semester**. - **October – November**: Meetings held between college (Dean and Finance Director), Provost’s Office, and Finance and Administration to discuss proposed fee changes.

- **November**: President is briefed on fee proposals. Colleges are notified if their proposed fee has been approved to be presented at the January 2018 OU Regents’ meeting.

- **November – January**: Upon President approval, colleges may begin holding Town Hall meetings with students to discuss fees. If possible, all students majoring in the college, the President of the SGA, the Chair of Student Congress, and the Chair of the Graduate Student Senate should be notified of the meeting by email. Outreach to students is critical to this process.

- **January 2019**: Fee proposals are submitted to the OU Regents for review and approval. If approved, fees are submitted to the OSRHE for approval.

- **Fall 2019**: Effective date for approved fees, if approved by the OSRHE.

Currently approved fees will continue into the next academic year, unless otherwise requested.
