

THE UNIVERSITY OF
OKLAHOMA
FRESHMAN DEPARTMENTAL
SCHOLARSHIPS

The list below represents university departments that offer freshman scholarships and is not intended to be all inclusive. For the comprehensive list of freshman scholarships for which you will be considered if you apply, please visit go2.ou.edu. OU's single freshman admission/scholarship application makes it convenient to apply for all general OU and department scholarships available when you are planning to attend the University of Oklahoma. In some cases additional requirements (essays, interviews, auditions, portfolios, etc.) may be necessary. Please visit go2.ou.edu and click on "Apply Online" to complete the admission/scholarship application.

The scholarship deadline is February 1, 2009. Please note that some scholarships have earlier deadlines and some scholarship selection committees may begin awarding scholarships earlier. You are encouraged to apply for admission/scholarships early during your senior year of high school. While the freshman scholarship deadline is Feb. 1, 2009, applicants are encouraged to retake the ACT and/or SAT tests through April 30, 2009. A student's scores on the national or residual tests taken after April 30, 2009 will not be used for scholarship consideration (except to qualify for the Oklahoma Academic Scholars Program which allows students to take national exams through June 2009).
