Set on OU? Welcome to the family!
Once you’ve completed the post-admission checklist, review these additional steps...

1. **SHARE YOUR GOOD NEWS.** It’s official – you’re going to be a Sooner! Share the exciting news with your family, friends and the whole Twitterverse by tweeting a photo of you and the OU Bound pennant included in your admission packet to @go2ou with #oubound.

2. **SET UP YOUR ENROLLMENT APPOINTMENT.** Keep an eye on the mail and your OU email account in early spring for details about enrollment and choosing your fall classes. Set your appointment as soon as you can to get the best choice of classes and times. You will come to campus for advisement and enrollment through very personalized programs coordinated by either University College or the OU Scholars Program. Visit newsooner.ou.edu for more information.

3. **FINALIZE ADMISSION.** In order to complete your admission status, you must have official ACT or SAT scores and a final high school transcript verifying your graduation date on file with the OU Office of Admissions. Final transcripts must be submitted through the Common Application, so please ensure you have notified your counselor to send it to OU. Visit ou.edu/admissions for more information. Note: If you have attended another college or university while in high school or after graduation, please arrange to have an official, complete collegiate transcript sent to our Office of Admissions.

4. **REGISTER FOR CAMP CRIMSON.** Camp Crimson is not just a summer orientation camp…it’s the beginning of a relationship between new students and the University of Oklahoma! While Camp Crimson is a great way for new students to learn the ins-and-outs of OU, our primary goal is that every camper leaves Camp Crimson feeling that they have been connected with a vital support system to help them succeed. More information is available at ou.edu/campcrimson. Registration goes live on March 1.

5. **CONSIDER FRATERNITY/SORORITY LIFE AT OU.** To learn more about when recruitment takes place and how to register, visit studentlife.ou.edu.

6. **PARTICIPATE IN SOONER ORIENTATION WEEKEND.** Sooner Orientation Weekend (SOW) is four fun days full of activities and information designed to welcome you to the University of Oklahoma. SOW takes place in the days leading up to the first day of fall classes. The schedule is packed with opportunities to meet great people, get acquainted with the campus and community and learn about the many services and programs that will help you succeed as a Sooner. Learn more at ou.edu/sow.

7. **GO TO CLASS.** The first day of fall classes is in late August. Let us help you find your classes at map.ou.edu.

8. **GET INVOLVED.** It is important to make connections and identify an OU support network. Let us help you get started:
   - Student Life – studentlife.ou.edu
   - Leadership and Volunteerism – leadandvolunteer.ou.edu
   - Residence Life – housing.ou.edu
   - Freshman Programs and Major Exploration – uc.ou.edu

   Feel free to contact Recruitment Services at go2.ou.edu. We can direct you to someone to help you find your niche.
