Parent and Child Aquatics Level One
Children age 6-36 months
No previous water experience required will be held indoors during cooler weather. Introduces basic skills to parents and children.
Parents are taught to safely assist their child in the water, including how to appropriately support and hold their child in the water in order to encourage their child to participate fully and enjoy the water.
Parent and Child Aquatic Level Two
Level two builds on skills introduced in level one and is designed for participants for the preschool aged levels.
Preaquatic Aquatic Level One
Children are in a pre-swimming roll position. The objective of level one is to help children feel comfortable in the water and to enjoy the water.
Elementary Aquatic skills are taught, which builds on as they progress through the preschool aquatic and warm up activities.
At this level, children also start developing good strokes and safe practices around the water.
Preaquatic Aquatic Level Two
Must have completed preschool aquatic levels 1 and 2. This level builds upon the skills learned in level one and children succeed with fundamental skills.
Children learn to float on the back without support to recover to a vertical position. This marks the beginning of the level one lessons.
Level Four
Stroke Development
Improves the stroke techniques previously learned and to improve other strokes. Children roll into deep water from the side, front, and back. Maintain position on back for two minutes in deep water and return elementary backstroke for 25 minutes. Children should maintain position on back for two minutes in deep water and swim back several times. Children should perform a shallow dive into deep water, perform a shallow dive into deep water, swim front crawl for 25 yards, tread water for one minute and swim elementary backstroke for 25 yards.
Level Five
Skill Development
Provides further coordination and refinement. Children perform a front stroke into deep water, swim front crawl for 25 yards, maintain position on back for two minutes in deep water and swim elementary backstroke for 15 yards. Swim breaststroke for 15 yards, swim back water for one minute and swim back elementary backstroke for 15 yards.
Level Six
Swimming and Skill Proficiency
Refines the stroke techniques with them ease, efficiency and power over greater distances.
perform a shallow dive into deep water, swim front crawl for 25 yards, maintain position on back for two minutes in deep water and swim elementary backstroke for 25 yards. Children should maintain position on back for two minutes in deep water and swim back several times.
Refund Policy
No refunds will be given without a doctor’s note prior to class date.
A $5.00 handling fee will be charged for all refunds.
