The Game
1) USGA Rules of Golf Apply. If you do not know the rule, have the group make the best ruling and keep the pace of play.
2) Each player tees off at each hole. The best of the tee shots is selected and both players play their second shot from that spot. The better of the second shots is determined, and then both play their third shots from that spot, and so on until the ball is holed.
3) Both members of the team must play the ball within one club length from the original ball, no closer to the hole.
4) If ball chosen lands in a bunker, all shots must come from the bunker.
5) Men’s teams play from the black tee, women from the red tee.
6) Teams must complete each hole: no gimmies.
7) Every team will have their own scorecard. Please put every player’s name on card as well as team name.
8) The opposing 2-person scramble team will keep the official score.
9) No walking allowed as everyone has paid for and must use cart to keep up with the pace of play. The pace of play will be 4 hours.
10) No more than three minutes can be used in searching for a ball.
11) Turn in completed scorecards to the OU Intramural Sports staff present at the 18th green.

For rules not specifically mentioned above refer to USGA Official Rules.
