PREFACE
THE CODE OF THE LAWS OF THE
UNIVERSITY OF OKLAHOMA STUDENT GOVERNMENT
ASSOCIATION

It is deemed necessary that the general and permanent laws of the University of Oklahoma Student Government Association ("SGA") be codified and arranged in appropriate Titles, Chapters, and Sections. It is further deemed necessary that the whole should be rendered plain, concise, and intelligible. Because of these necessities, the SGACA was created in Summer, 2003.

The University of Oklahoma Student Government Association Code Annotated ("SGACA") is the official restatement in convenient form of the general and permanent laws of the SGA in force on August 1, 2006. This Code should be cited as “The Student Government Association Code Annotated” or "SGACA.”

The Code includes all laws of the SGA from 1981 to present. Any Act of Legislation (or similar Act applicable to the whole of SGA) passed prior to 1981 is hereby repealed. The SGACA will be updated as new Acts of Legislation are passed in accordance with the SGA Constitution. The SGA General Counsel shall be responsible for updating the SGACA as these Acts are enacted.

In the unusual event of a dispute between the various forms of SGA law, the SGA Constitution is still the supreme law of the SGA. The Constitution is followed by the SGACA and Acts of Legislation, which are followed by General Counsel and Superior Court opinions.

The “General Provisions” Title is applicable to all other Titles in the SGACA. Any “General Provisions” Chapters within a Title are applicable to all other chapters within that Title.

No new law is enacted. No law is repealed. The SGACA is adopted as the law. It is presumed to be a valid and enforceable restatement of the law. The presumption is rebuttable by production of prior un-repealed Acts of Legislation at variance with the SGA.
Title I – General Provisions

Title I – General Provisions
Chapter 4 – Student Bill of Rights

Students of the University of Oklahoma are guaranteed certain rights by the Constitution of the United States, the Constitution of the State of Oklahoma, and the SGA Constitution.52

13. Student Rights
a. The right to be secure in possessions and free from unreasonable search and seizures
b. Right of privacy
c. The right to academic freedom
d. The right to bring suit within the regular judiciary structure for any violation of a right guaranteed by the Constitution
e. The right of judicial due process, including speedy trial, confrontation of witnesses by parties accused, representation of counsel, presumption of innocence, freedom to choose the tribunal which shall hear the case, right to appeal and protection against cruel and/or unusual punishment.
f. The right not to be twice put in jeopardy for the same offense
g. The right to petition the appropriate governing bodies or officials of the University for redress of grievances
h. The right not to be denied any right, privilege, position, or status by reason of discrimination on the basis of race, age, color, handicap, religion or creed, status as a veteran, gender, sexual orientation, national origin, or political belief
i. The right to form, join, and participate in any group or organization for any purpose which benefits the student body at the University.
j. The right to establish and/or disseminate publications free from any censorship
k. The right to invite and hear any person of their choice on any subject of their choice, subject to University regulations
l. The right of assembly to demonstrate, inform, or protest so long as the normal workings of the University are not disrupted
m. The right to use campus facilities, subject to the regulations governing the facility53

14. Limits on Application
The Student Bill of Rights shall apply only to action by the Student Government against the students and there shall be included in the University Constitution an overall Bill of Rights for the University Community.54

52 *SGA Const. Art. XI.*
54 *SGA Const. Art. XIII,* § 1(3).
15. Senate’s Graduate Assistants’ Bill of Rights

The Senate’s Graduate Assistants’ Bill of Rights attempts to establish rights in addition to those provided by the SGA Bill of Rights and University policy, and the Senate’s Graduate Assistants’ Bill of Rights is preempted by the SGA Bill of Rights and University policy. The Senate’s Graduate Assistants’ Bill of Rights is both ineffective as against the University and as establishing additional rights for graduate assistants. Moreover, any attempt at enforcing these rights against the student body and, presumably, the University would be in violation of the SGA Constitution and University policy, respectively. The Senate’s Graduate Assistants’ Bill of Rights does not become violative of the SGA Constitution until an attempt at enforcing it is made.55

If the SGA President signs the bill, the SGA Staff Assistant shall forward the signed bill containing the President’s signature to the University President. If ten (10) days pass with no action by the SGA President, the SGA Staff Assistant shall forward another of the signed originals indicating the SGA President’s inaction to the University President. If ten (10) days pass with no action by the University President, the Staff Assistant shall so indicate on his/her remaining original, and shall forward a Xerox copy of the bill to the SGA General Counsel and Board of Regents. Since SGA legislation does not require the approval of the Board of Regents, enacted bills may be sent to them on a monthly basis. Once the line of action of a bill is finished, the Staff Assistant should compile these Bills to be bound at the end of the session. The bound Bills should include Acts of Legislation, Concurring Resolutions, Joint Resolutions, and internal acts or resolutions of each House of the Legislative Branch.80

Subject to Section 4 of the SGA Campaign Activity Policy, candidates may campaign in lounges during visitation hours unless prohibited or otherwise regulated by a house or floor majority vote. The Election Board shall assign a candidate between 1 and 3 points for each violation of this rule.

**iii. Academic Buildings**

No campaign materials may be posted or displayed inside academic buildings with the exception of the Law School.

However, these materials shall be limited to two (2) signs no larger than 11" by 17" each per each entrance and must be posted within 50 feet of that entrance. Campaigning in classrooms shall not be allowed during instructional times. The Election Board shall assign a candidate between 1 and 3 points for each violation of this rule.

**a) Instructional Times**

instructional time. If the instructor voluntary gives up instructional time to provide candidates with the opportunity to campaign, the candidate may do so. The Election Board shall assign a candidate between 1 and 4 points for each violation of this rule.

iv. Oklahoma Memorial Union and University Libraries
No campaign materials may be posted in or on the Oklahoma Memorial Union or any University library. The Election Board shall assign a candidate between 1 and 3 points for each violation of this rule.

v. Outdoor Campus Areas
Only candidates running for SGA President or CAC Chair are allowed to place stake signs (maximum dimensions of each sign are 16" by 18") on campus. Said signs may be displayed at the edges of ground cover beds, shrub beds and/or turf areas (not in flower beds). Installation must be accomplished without damaging or disturbing landscaping. Before staked signs may be installed, the Election Board shall mark staked signs with a differentiating mark, stamp, or tag. All staked signs not containing this mark, stamp, or tag are prohibited. Candidates for the SGA Presidential race and CAC Chair may dry chalk only in areas designated by the Election Chair. All chalk colors are allowed for the SGA Presidential race and CAC Chair. The Election Board shall assign a candidate between 0.5 and 3 points for each violation of this rule.

f. Removal of Campaign Materials
Each candidate shall be responsible for the removal of his or her campaign material from public areas and buildings by 4:30 P.M. on the day following the validation of the election. The Election Board shall assign a candidate between 1 and 4 points for each violation of this rule.

a. Rule Violation Complaints Filed in Good Faith

i. Upon the filing of a rule violation complaint, The Election Chair shall determine, within twenty-four hours, whether or not the complaint was filed with an objective belief that the alleged misconduct violated a provision of this Title. Should the Election Chair believe that a complaint was filed without an objective belief that the alleged misconduct violated a rule under this Title, it shall be considered an Unofficial Election Notification, as outlined in section 342 of the OU SGA Election Rules Update Act of 2017, CBN 970802, SBN GS17-12. Revised on: March 9, 2017.

30 of this Title, not a Complaint. The Election Board may vote to overrule, by a simple majority, any decision made by the Election Board Chair pursuant to this section.

48. Procedure for Run-off
The Presidential, SBA, and CAC race shall be popularly elected by a 50% majority vote of the ballots cast for that purpose. In any of the above-mentioned races, should no candidate receive 50% plus 1 votes, the top two candidates shall be placed on the ballot for a runoff election to occur on the Tuesday immediately following the original election date. The top vote-getter of the final two candidates shall be declared the winner.

49. Election of Undergraduate Student Congressional Positions
To determine which Undergraduate Student Congress Representative seats are eligible for election, the Election Chair shall request a list of open seats from the Chair of Undergraduate Student Congress before filing begins. Candidates in each district shall be elected based on the number of votes for each candidate for the seats available. Candidates in the order of those with the most votes will fill each open seat in the election. Should there be a tie in the number of votes that would prevent the final determination of elected representatives, only those in the tie will enter a run-off vote as described in the section above. Because of the nature of this method, software shall be used to calculate the elections.

50. Election of Campus-Wide Referendums
Campus-wide referendums have the following rules and regulations:

   a) Campaign rules regarding instructional times, residence halls, and campus display rules are the same as previously listed in Title VII

   b) Any entity campaigning for or against a campus-wide referendum must also register their cause and abide by regulations in the same manner outlined for candidates in this Title, complying with all spending requirements including the submission of finance reports.

   c) No entity may exceed one thousand dollars ($1,000) in expenditures throughout a single election cycle for a General Election or Special Election.

51. Ambiguous or Non-discussed Items
Any questions pertaining to items not mentioned in Title VII should be directed to the Elections Chair for a ruling prior to execution of campaigning. The Election Chair shall make a ruling on the question within one business day.

---

52. Disqualification
   a. Election officials shall not disqualify any candidate or ballot initiative
      unless the candidate or proposing entity:

      (1) requests removal from the ballot in accordance with the provisions
      of this title; (2) fails to turn in a properly completed filing application on
      time; (3) fails to meet the eligibility requirements; (4) campaign
      expenditures exceed 10% of spending cap for the specified race; or (5)
      is assigned 5 or more points by the Election Board for violation of
      campaign rules. (6) Contemptuously fails to adhere to a punishment
      imposed on them by the Election Board, pursuant to Section 28 of this
      Title. No candidate shall be disqualified by election officials within forty-
      eight (48) hours of the election. All disqualifications shall be voted on
      by the Election Board and said rulings shall be publicly posted. The
      Election Chair shall notify all affected candidates by e-mail. All
      disqualifications are subject to appeal to the Superior Court. If an
      appeal is submitted within five (5) days of the Election Board’s ruling
      and at least twenty-four (24) hours before the election, candidates shall
      remain on the ballot until the Superior Court hears the appeal.

   b. Once a candidate has been assigned at least even (7) points by the
      Election Board for violations of campaign rules, the Election Board must
      vote on that candidate’s disqualification. For every campaign rule violation
      upheld against said candidate thereafter, the Election Board must again
      vote on disqualification of that candidate.

   c. Under no circumstances may margin of victory or the amount of votes
      received by a particular candidate be used by the Election Board in their
      consideration of whether or not to disqualify a candidate.

53. Attendance and Reporting Requirements

   The Election Board may impose a fine of no more than twenty dollars ($20.00)
   for failing to attend the mandatory candidates’ meeting and they may impose a
   fine of no more than fifteen dollars ($15.00) for failing to turn in a campaign
   expenses report. No other fines or penalties shall be imposed by election officials
   except as provided otherwise by this title. All fines shall be publicly posted and
   the Election Chair shall notify all affected candidates by e-mail. The Election
   Chair may waive any fine at his or her discretion.

54. Campaign Rules Infractions
   A. All complaints regarding violations of SGA campaign rules shall be submitted
      in writing to the Election Board within five (5) business days of the incident
which generated the complaint or within one (1) business days of the close of the polls – whichever is sooner. The Election Chair shall notify all affected parties of any grievance and allow the accused 24 hours to submit a written response or request an oral hearing.\textsuperscript{350} The Election Board shall make a ruling within one (1) business day after the accused has either made a written statement, failed to submit a statement within the 24-hour period, or after the oral hearing.\textsuperscript{351}

B. The Election Board, upon making a decision, shall compose a short written opinion detailing the facts upon which its decision rests, what punishments will be imposed, and what reasoning was used to determine said punishment. Dissenting members of the Board shall issue their own, separate opinion. All opinions must be made publicly available within 24 hours of the decision of the Board.

C. The Election Board shall assign each campaign infraction upheld against a candidate a certain number of points. The range of each is specified within this Title. In considering the amount of points to assign for any given campaign infraction, the Election Board shall consider (1) the severity of the rule violation, (2) whether the candidate has prior violations of that particular rule, (3) whether the candidate knowingly or negligently violated the campaign rule, and (4) the effect which the campaign rule violation may have had on the campaign, on other candidates, and to the campus as a whole.

a. The Election Board may not assign points at any level other than whole numbers or half-integers.

D. In addition, assigning a certain number of points to a campaign for rule infractions, the Election Board shall determine a punishment appropriate to impose on the candidate. The Election Board may not decide to forgo a punishment upon finding that a campaign had indeed violated a campaign rule. The Election Board may impose only (1) punishment per individual campaign infraction. The punishments the Election Board may impose are as follows:

a. Once a campaign has been assigned at least 0.5 points cumulatively, the Election Board shall assign a candidate a fine of between five (5) and fifteen (15) dollars.

b. Once a campaign has been assigned at least 3 points, the Election Board may temporarily or permanently prohibit a candidate from chalking within their designate chalking zone, or impose the punishment described above.

c. Once a campaign has been assigned at least 5 points, the Election Board may temporarily or permanently prohibit a candidate from posting staked signs on campus, or impose one of the punishments described above.

\textbf{55. Election Chair Rulings}

Any SGA member may request a ruling on any election rule or procedure by submitting a petition in writing to the SGA Office. The Election Chair shall rule on all petitions within twenty-four (24) hours. All rulings shall be publicly posted and the Election Chair shall distribute the ruling to all candidates by e-mail. The Election Chair’s rulings shall be considered binding on elections until overturned by the Superior Court and these rulings shall not be subject to being overruled by an Opinion of the General Counsel. The Election Chair shall not make any unilateral rulings regarding alleged campaign infractions, as this power is reserved for the Election Board. A request for a ruling from the Election Chair does not toll any applicable statute of limitations listed elsewhere in this title, nor does it create a new charge or cause of action for an incident for which the statute of limitations has already run.

56. Unofficial Notification Process

The Election Chair shall make an electronic form available for the duration of any election that any member of the SGA may use to submit election irregularities or other matters they would like the Election Boards to be made aware of. The form shall allow respondents to remain anonymous if they so choose. Candidates shall be encouraged to use this in lieu of a rule violation complaint for complaints that lack sufficient evidence, and all form submissions shall be made public at the conclusion of the Election via the Election Report. Should an unofficial notification be filed that the Election Chair believes would more properly be considered an election complaint, it shall be dealt with as such, as outlined in section 28 of this Title.

Following the Validation of the Election, the Congressional Administration Committee of the Undergraduate Student Congress shall hold a hearing to review all Unofficial Election Notifications submitted during the election to determine if action should be taken to remedy any irregularities or other complaints detailed therein.

57. Appeals

All appeals of the rulings of the Election Board and/or Election Chair must be submitted in writing to the SGA Office within five (5) business days of the incident or ruling which generated the appeal or within three (3) business days of the close of the polls – whichever is sooner. The Superior Court shall provide copies of all appeals relating to the election to the General Counsel, the Election Chair, and all other affected parties. The General Counsel, the Election Chair, and all affected parties shall have at least forty-eight (48) hours to file a written response. The Superior Court may also schedule oral arguments at its discretion – provided that it affords the General Counsel, the Election Chair, and all affected parties the opportunity to address it. If any of these parties chooses not to take advantage of said opportunity, then Superior Court proceedings shall not be delayed. The Election Board shall not be able to hear appeals of its own.

decisions. The deadlines in this section are amendable at the request of any party with approval of the Superior Court.\textsuperscript{353}

58. Certification of Results
The Election Board shall meet within twenty-four (24) hours of the close of the polls to certify the unofficial election results. The unofficial election results shall be publicly posted and the Election Chair shall distribute said results to all candidates by e-mail.

59. Campaign Spending Requirements
The Election Board shall review all campaign spending reports and determine whether any spending limits have been violated. They shall impose a fine of fifty percent (50\%) of the spending in excess of the spending cap. If the Election Board is unable to determine whether spending limits have been violated due to missing or incomplete campaign expense reports, they may impose an additional fine of no more than one hundred fifty dollars ($150.00) for each Executive Branch ticket and CAC Chair candidate. All fines are subject to appeal to the Superior Court. All fines shall be publicly posted and the Election Chair shall notify all affected candidates by e-mail.

60. Election Report
The Election Chair shall also prepare an Official Report which shall be submitted to the Student Body President, the Undergraduate Student Congress, the Graduate Student Senate, the Superior Court, the General Counsel, and the Oklahoma Daily within forty-eight (48) hours of the close of the polls. The Official Report shall include: (1) the total number of votes cast for each candidate, ticket, or ballot item at each poll; (2) any fines or rulings of election officials; and (3) information about any election problems or irregularities. At his or her discretion, the Election Chair may also include any other appropriate information pertaining to the Election.

61. Election Fraud
All complaints regarding election fraud shall be submitted in writing to the Office of the General Counsel within three (3) business days of the close of the polls. The General Counsel shall review all complaints and determine whether there is sufficient cause to warrant formal charges. If the General Counsel decides to press formal charges, he or she shall notify the affected candidate or election official, collect all available evidence and testimony, and prosecute the offender in front of the Superior Court. The General Counsel shall make all decisions regarding whether he or she wishes to press formal charges within five (5) business days of the incident which generated the charges or within three (3) business days of the close of the polls.

62. Election Validation

The Superior Court shall meet within ninety-six (96) hours of the close of the polls to consider the validation of the election. If there is any case pending before the Superior Court relating to the election, the ninety-six (96) hour timeline shall be suspended until the Court rules on the pending matter. Upon issuance of a ruling the aforementioned timeline shall resume. During validation proceedings there shall be a presumption of administrative regularity unless clear and convincing evidence is presented to the contrary. The Superior Court shall not be permitted to raise any issues pertaining to the election sua sponte. It shall only invalidate the election in accordance with the standards set forth in this title based upon issues expressly and specifically raised in an official complaint or appeal considered and ruled upon prior to validation proceedings. If the Superior Court fails to rule whether the election is valid or not valid within seven (7) business days of the close of the polls, the election shall be considered valid – subject only to attack on the basis of claims arising explicitly from provisions of the SGA Constitution.

In the event that questions may arise from any election which the Superior Court may need to decide before validating the results of the election, or in the case of a runoff election, the Superior Court may validate the results of all completed races independently of those races which it decides are not ready for validation.

63. Superior Court Rulings
All rulings shall be publicly posted and the Superior Court shall distribute the ruling to all candidates by e-mail.

64. Standing
With the exception of issues raised by the General Counsel and the Election Chair, the Superior Court shall not hear any matter relating to an election unless the petitioner first shows: (1) a distinct and palpable injury to himself or herself; (2) that the injury is caused by the challenged activity; and (3) that the injury is apt to be redressed by a remedy that Superior Court is able to grant.

65. Rules of Law
In rendering decisions relating to elections, the Superior Court shall cite the specific constitutional or statutory provisions or the previous precedents that it is applying. In the absence of any governing authority on a specific point in question, the Superior Court shall refer to the governing federal, state, and local precedents. All opinions of the Superior Court shall contain (1) a succinct statement of the conclusion or holding; (2) a statement of the applicable rule of law; (3) an explanation of the rule of law; (4) an application of the rule to the facts of the dispute; and (5) a brief restatement of the conclusion or holding.

66. Grounds for Invalidation
The Superior Court shall not enjoin or invalidate an election unless there is clear and convincing evidence that the true will of the voting public is not reflected. To set aside an election, there must be gross fraud which leaves the intent of the
voters in doubt or irregularities in the conduct of the election of such nature as to affect the result. The wrongs against the freedom of election must have prevailed, not slightly or in individual cases, but generally and to the extent to render the result doubtful.

67. Penalties
The Superior Court shall have no authority to disqualify any candidate except when confirming a decision of the Election Board. Weighing the gravity and intent of each incident, the Superior Court may confirm, overturn, or reduce any fines imposed by the Election Board. The Superior Court shall have no power to impose any other fines except those based upon issues raised in an official complaint or appeal. If the Superior Court finds a candidate or an election official guilty of election fraud, it may impose a fine of no more than two hundred fifty dollars ($250.00). It shall report such findings to Student Affairs for possible disciplinary action. It shall also report such findings to the Congressional Administration Committee of the Undergraduate Student Congress so that that body may initiate censure and impeachment proceedings as appropriate.

68. Collection of Fines
All fines shall be submitted to Student Affairs and collected through the Bursar’s Office. Funds generated by election fines shall be deposited in the University of Oklahoma account named “Congressional Development” under the line item “Elections” for the Legislative Branch of SGA. Any candidate that as advanced to a runoff election must pay any outstanding fines assigned against them before the runoff election, unless they are in the process of appealing said fines.

69. Violations of Federal, State, and Local Law
Although all candidates and election officials are expected to comply with all applicable federal, state, and local laws, nothing in this title shall be misconstrued so as to create a charge or a cause of action under which a candidate may be punished, fined, or disqualified by any SGA official, board, commission, or court. Remedy for such actions must be pursued through the appropriate federal, state, or local authorities.

70. Violations of the University Rules and Policies
Although all candidates and election officials are expected to comply with all of the university’s rules and policies, nothing in this title, unless explicitly stated, shall be misconstrued so as to create a charge or a cause of action under which a candidate may be punished, fined, or disqualified by any SGA official, board, commission, or court. Remedy for such actions must be pursued through the appropriate university authorities.

Questions or propositions shall be printed on every petition page and worded consistently on every petition page. Following the General Counsel’s certification of a valid petition, the General Counsel shall post the petition and notify the Legislative Branch, which shall call an election as soon as practicable. The decision of the General Counsel may be appealed to the SGA Superior Court.\(^\text{354}\)

2. Petition
   a. Legislation
      Any member of the SGA may initiate legislation provided that the proposed legislation bears the valid signatures of members of the SGA equal to fifteen percent (15%) of the number of students voting in the last general election. Such legislation shall be brought before the Legislative Branch for a vote. If rejected by the Legislative Branch, it shall as soon as practicable be put before a vote of the SGA and a majority shall be required for its passage.\(^\text{355}\)

   b. Presidential General Meeting
      Upon petition by ten percent (10%) of the SGA, the Student President shall call and preside over a general meeting of the SGA.\(^\text{356}\)

3. Referendum
   Any bill being considered for passage by the Legislative Branch may, by a majority vote of the Legislative Branch, be referred to the members of the SGA for their approval. In such case, the Legislative Branch shall provide for the publication of such bill and its general dissemination among the members of the SGA at least one week prior to such election. For such bill to be enacted, it must

A referendum proposal must specifically state the purpose of sending the legislation or Constitutional Amendment to the SGA members for a referendum vote.\(^{358}\)

**b. Ballot Explanation**  
The SGA General Counsel may write an explanation to appear on a referendum ballot.\(^{359}\)

4. **Constitutional Amendment**  
The SGA Constitution may be amended by a majority vote of those students voting on the proposed amendment provided that the amendment shall have been presented to them by two-thirds (2/3) majority vote of each House of the Legislative Branch at least three weeks prior to the election at which the amendment is to be voted upon. A single Act of Legislation shall be used by the Legislature in a manner consistent with Article X, Sec. 1 of the SGA Constitution to (1) propose an amendment to the SGA Constitution and (2) establish a referendum presenting said amendment. Such an Act of Legislation must pass with a two-thirds (2/3) vote of each house. Such an Act of Legislation may be used to place said referendum on the ballot of a general election, to establish a special election, or to add said referendum to the ballot of an established special election, as shall be specified in said Act of Legislation. Each amendment shall be proposed by its own Act of Legislation. If the SGA President vetoes such an Act of Legislation, it shall be considered passed over any such veto.\(^{360}\)

5. **Recall of Elected Officials**

Upon a showing by the SGA General Counsel that an organization is not a registered student organization because the organization has not submitted a constitution as required by the schedule established by the General Counsel or the organization’s constitution is not in compliance, the SGA Budgetary Committee may take the violation into consideration during the budgetary allocation process.367

22. **Administrative Districts of the SGA**

a. **Categories**

Organizations must fit into one of these three categories to be considered an Administrative Division of SGA:

Government: Organizations that collectively serve as student government for the entire student body without significant duplication.

Residential: Organizations that collectively represent every student through their residences without significant duplication. Funding is provided for Housing Center Student Association, Interfraternity Council, National Pan-Hellenic Council, Panhellenic Council, and Multicultural Greek Council. No additional funding will be distributed to separate entities (houses/floors/chapters) of these organizations.

Campus Activities: Organization that represents and serves every student through campus wide activities aimed at improving student life on campus without significant duplication. An organization that falls under the Campus Activities category may not represent a particular section of the student body; rather it must represent the entire student body. ii. Administrative organizations must be entirely comprised of student members.\(^{509}\)

23. Funding Criteria

In evaluating budgets, the SGA Budgetary Committee shall use the following criteria in determining the amount of money each organization is allocated. Each criterion must be used. Organizations shall be evaluated upon the following criteria:

- Degree to which the Programs, Events, and Activities (P/E/As) of the organization provide a unique service to the university’s student community.
- Scope which an organization has (including its P/E/As and other non-funded activities). This should take into consideration, but not limited by, the number of students affected, the effect on the community outside of campus, and the size of the organizations.\(^{510}\)
- The percent of funds used in prior year(s) relative to the amount allocated.
- Quality of budget. This should include clarity, accurateness, compliance with SGA and University policies and regulations, and the reasonability of the budget. Unreasonable request for large sums of money shall count against organizations.
- Degree to which funding the organization’s P/E/As request will accomplish the stated goals of the organization.

While all of these criteria shall be taken into consideration by the committee, the relative weights of the criteria within a category shall be at the committee’s discretion, provided that the relative weights are consistent within each category.\(^{511}\)

24. Review Process\(^{512}\)
