Aimee: This will be a fairly efficient meeting since most of you have exec interviews right now! We will get through everything as quickly as possible so you can return to interviews.

Communication

- Better overall
- Emailing
  - CC everyone, exec and MK & New Advisor once we have it
    - **Aimee**: Just please make sure to be CC’ing everyone you should be so that everyone is kept in the loop.
  - If you receive an email from anyone in CAC you must respond within 48 hours
    - **Aimee**: Please respond to emails in 48 hours

- OrgSync
  - Interview times
  - Character count vs. word count
    - **Aimee**: We are so sorry about Orgsync, we know it has been a struggle and we apologize. We will be working on this for next semester.

- Director Development Day
  - Jonna
    - **Aimee**: Thank you Jonna for an amazing Director Development Day! I’m sure the directors got a lot from the event.

- GC Potluck
  - Thanks Daniela!
    - **Aimee**: Thank you Daniela for a great potluck, when’s our next event?
    - **Daniela**: General Council Pumpkin Carve on October 20th before Homecoming week. Should be that evening, but we will have more information as we get closer!

- Homecoming Nominations!
  - No longer just male & female!
  - Matthew will send out nomination sheet
    - **Aimee**: Nick and I were talking, and we decided to move away from “female” and “male”, but rather King and queen nominees to be more inclusive. Matthew has made the form and will be sending it out!

- Budget Approval!
  - Advisor dinner: This is used to thank them
    - **Aimee**: So we need to vote on the information given out last week and you should have sheets covering the information again. Are we good to vote?
CAC General Council Meeting
First Floor Conoco
Sep. 15, 2016

VOTE ON BUDGET APPROVAL: ALL PRESENT VOTE TO APPROVE

- CAC Scholarship Store
  - Send out t-shirt link with acceptance emails
  - Matthew also has a link to be sent out to each exec!

- Additional $15,000 from holding account for Homecoming Concert
  - Hank: We need an additional $15,000 for Homecoming in case we have to replace the whole floor in Lloyd Noble or other damages. We don’t think it’s going to happen but Nick and I have already dropped extra money from our budgets to cover this, we really just would like to have this money to pay our events back so we can continue operating under a regular budget.
  - Hank: Also, please keep up with publicity and promoting the concert
  - Nick: It’s all thanks to you all, it’s been so impressive how quickly we have been spreading the word so keep it up.
  - Aimee: We are excited about the concert! Although we are so excited to celebrate the concert, there are a lot of other student groups that contributed to CAC by giving us feedback so that we can help provide events for those who may not have enjoyed CAC events before. Those criticisms were good and they got us where we are, so we really need to thank them for that!

- Damaged Painting
  - Repair costs $4,000
    - Aimee: Okay, so during Scandals last year there was a hallway where performs line up, so nobody goes there except performers. So after the show was wrapping up, Holmberg Hall found a puncture in a painting that they believe could only have been caused during our time there. They are requesting $3,500-$4,000 to pay them back for the painting. Holmberg has already fronted $2,000 and would like the assistance. We have a really good working relationship with Holmberg and they help us out with U-Sing and Scandals.
    - Liz: We’ve talked with them about it, and we have discussed moving the paintings, but that would cost $2,000. We’ve also talked about having exec members patrol the hallways and make sure that this won’t happen again.
- **Jay**: Are we able to make a deal with them so we don’t have to pay the full amount?
- **Aimee**: It would be best if we went ahead and paid for it ourselves so that we can keep the relationship and so that someone else doesn’t have to pay for it.

- **SGA Updates**
  - **Aimee**: They are planning to put the food pantry by Papa John’s on Stumberg Place

- **Updates**
  - **Liz**: We had our exec retreat on Sunday and it was a blast! We are 10 days away from Using in the park! Hopefully you will want to come after our retreat. It’s at 5PM on September 25th on the South Oval! I’ve been trying to get something to happen and got the preliminary “yes” from Quy, and we will update you on that as soon as we find out more! We are having fun!
  - **Kalsey**: Paint Frenzy might have to move dates due to rain, and it is my required event! Please please be there, it will be so much fun!
  - **Isaac**: Next Tuesday is SPARK’s first meeting! You are all invited and we are excited! We will be having
  - **Ryan**: Unfortunately we cannot have RJ Mittey in October for Homecoming, but we have confirmed him for November!
  - **Danyel**: Nothing from me!
  - **Matthew**: I have the forms created for Homecoming King and Queen nominations, your exec member information and nominations for This Week With CAC’s “Meet CAC” blurb. Also, exec has office hours and they will be posted!
  - **Alec**: I’m revamping the Publicity Guide, and please everyone send me your publicity director’s contact information! This is so we can improve the speed of our processes with designs! Also, our PR committee is going to be a year-long exec now! So someone can do another event if they are on PR committee! They’re great people, so if they apply you’ll probably be interested in them!
  - **Vanessa**: HASA’s first meeting was yesterday, it went awesome! We had a full house, and I went to Nick’s Homecoming meeting which was great! I got to speak to the different committees and helping them with publicity! My first sit in with HSLC interviews is tomorrow!
  - **Will**: WWW is surviving! My sponsorship packet is with Alec, and we are excited for updates!
Nick: We are excited and finally getting into the meaty part of homecoming, and it will be nice once Hank has an exec! We are going to meet our thousands strong goal thanks to a matching gift.

Daniela: Thank you all for coming to the potluck, it was so much fun! Feel bad for those who could not make it, but it was great! Also, please send me your programming director's phone numbers so I can set up a programming groupme!

Dayten: I've been talking to LGBTQ advisory board and Queer Student Association to discuss how we can work with CAC! They're very receptive with how we want to work with them. Internally we are rocking!

Courtney: We are finishing up interviews for scandals! Working on getting an exec!

Alex: The American Indian Student Association is very excited to work with CAC! Sat in with Evan on his exec interviews yesterday and they went well!

Hank: Just finished interviews and will be finalizing my exec soon!

Nick: Just to be absolutely clear, going back to the thousands strong for homecoming, none of that money goes toward the concert. It goes toward other homecoming events.

Evan: We're surviving and thriving, that's my main update.

Daniela: How many Starbucks have you ordered this week?

Evan: Oh, I've lost count.

Jordan: We are also surviving interviews, the block party was great and we have been working on sponsorships and benefit nights!

Liz: Speaking of benefit nights, ours is September 27th at Raising Cane’s!

Vanessa: CAC is probably going to be coprogramming with HASA, so get excited! We are working on that!
